COMPLAINT

I. JURISDICTION

1. The jurisdiction of this Court is invoked pursuant to the Act of Congress known as 28 U.S.C. §§ 1331, 1334(4), 2201, 2202, 42 U.S.C. § 2000e et seq., 29 U.S.C. §206(d) and 29 U.S.C §621 et seq. This suit is authorized and instituted pursuant to Title VII of the Act of Congress known as the "Civil Rights Act of 1964," as amended by the Civil Rights Act of 1991, 42 U.S.C. § 2000e et seq., the "Equal Pay Act" of the "Fair Labor Standards Act", 29 U.S.C. §206(d) and 29 U.S.C. 215(a)(3) and the "Age Discrimination in Employment Act", 29 U.S.C. §621 et seq. The jurisdiction of this Court is invoked to secure protection of and redress deprivation of rights secured by 42 U.S.C. § 2000 et seq., providing for injunctive and other relief against sex discrimination, and by 29 U.S.C. §206(d) providing for relief for sex discrimination in compensation, and by 29 U.S.C. §621 et seq. providing for injunctive and other relief against age discrimination.

2. The plaintiff timely filed her charge of sex discrimination with the Equal Employment Opportunity Commission (E.E.O.C.) within 180 days after the last discriminatory treatment and has timely filed this complaint within 90 days of receiving her Right-To-Sue Letter from the E.E.O.C.

II. PARTIES

3. The plaintiff, Lilly M. Ledbetter, hereinafter "Plaintiff", is a female born on April 14, 1938. She is a resident of the State of Alabama and a citizen of the United States and was so during the relevant time period of this complaint.

4. The defendant, Goodyear Tire and Rubber Company, hereinafter "Defendant", is an entity subject to suit under Title VII of the Act of Congress known as the "Civil Rights Act of 1964," as amended by the Civil Rights Act of 1991, 42 U.S.C. § 2000e et seq. The defendant is an entity subject to suit under the "Equal Pay Act", 29 U.S.C. §206(d). The defendant is an entity subject to suit under the ADEA, 29 U.S.C. §621, et seq. The defendant employs at least twenty (20) persons.

III. FACTS

5. The plaintiff was employed by defendant from February 5, 1979, until October 31, 1998, when the defendant forced her into early retirement.

6. The plaintiff worked as an Area Manager in the Tire Room at the Gadsden Goodyear plant from November 1, 1985, until January 3, 1998, and was the only female manager out of sixteen managers.

7. In June of 1998, the defendant required the plaintiff to transfer to the position of Technical Engineer.

8. On October 31, 1998, the defendant forced the plaintiff into early retirement.

IV. COUNT I – Equal Pay Act

9. The plaintiff re-alleges and incorporates by reference paragraphs 1-8 above with the same force and effect as if fully set out in specific detail herein below.

10. As an Area Manager, the plaintiff was similarly situated with her male co-workers and was doing equal work in the same establishment.

11. However, the plaintiff's male co-workers who were doing identical work were paid at a higher rate than she.

12. The plaintiff was involuntarily transferred to the position of Technical Engineer in June of 1998. After her transfer, the plaintiff was again paid at a lower rate than similarly situated male Technical Engineers doing identical work in the same establishment.

13. The defendant willfully and maliciously discriminated against the plaintiff in pay because of her sex.

V. Count II – Title VII Disparate Treatment

A. Discrimination in Wages

14. The plaintiff performed work equal or substantially equal to that of the male Area Managers, but received less pay for a substantially similar job.

15. The defendant had a practice of offering overtime work first to male Area Managers. The defendant offered overtime to the plaintiff only after each male turned down the offer, even though the plaintiff expressed interest in working overtime.

B. Discrimination in Evaluation

16. In January of 1998, the plaintiff received a discriminatory evaluation in which she received a low score while men performing the same job in the same manner as she received a higher evaluation score.

C. Discrimination in Terms and Conditions of Employment

17. The plaintiff's male supervisors and co-workers intentionally isolated her by excluding her.

18. For example, Jerry Jones, the Business Center Manager, regularly excluded the plaintiff from division meetings that he conducted with only the male Area Managers present.

D. The Transfer to Technical Engineer

19. The plaintiff was involuntarily transferred from the position of Area Manager to that of Technical Engineer on January 5, 1998. This position removed the plaintiff's supervisory responsibilities.

20. This transfer effectively prohibited the plaintiff from receiving more pay increases and reduced her retirement income.

21. The plaintiff was the only Area Manager transferred out of the sixteen (16) Area Managers.

22. After transferring the plaintiff out of the Area Manager position, the defendant filled her position with a man.

23. After the plaintiff's removal from the Area Manager position, there were no female Area Managers.

24. The defendant's act of forcing the plaintiff to transfer to the Technical Engineer job was a clear intent to cause her resignation as the Technical Engineer position required the plaintiff to do extensive manual labor including lifting two hundred and fifty (250) eighty (80) pound tires off of one truck and onto another.

25. The plaintiff was the only woman in that position.

26. Despite the grueling physical barriers the defendant threw in front of the plaintiff, the plaintiff did her job.

E. Disparate Treatment in Training and Discipline

27. The plaintiff received no training for the Technical Engineer position, and there was no job procedure manual or written job description available to the plaintiff.

28. The plaintiff was suspended for 3 days for allegedly making an error that similarly situated men made and were not suspended.

VI. Count III – Age Discrimination in Employment Act Disparate Treatment

29. The plaintiff re-alleges and incorporates by reference paragraphs 1-28 above with the same force and effect as if fully set out in specific detail herein below.

30. Plaintiff was over age 40 at the time of the relevant acts of discrimination. Out of the 20 Area Managers, the plaintiff was the oldest.

31. The defendant willfully discriminated against the plaintiff because of her age by transferring her to the position of Technical Engineer.

32. When the plaintiff was transferred to the position of Technical Engineer, her Area Manager position was filled by a younger male named Steve Thompson, her former co-worker. In turn, the defendant promoted a male in his twenties (20's) into the Area Manager position vacated by Thompson.

33. Significantly younger Area Managers received substantially higher salaries than the plaintiff for substantially equal work.

34. The defendant disciplined the plaintiff by suspending her for three days from her position as Technical Engineer when similarly situated Technical Engineers younger than the plaintiff were not disciplined for committing similar errors.

VII. Count IV – Retaliation in Violation of the Equal Pay Act, and Title VII

35. In the fall of 1997, the plaintiff objected to the defendant's discriminatory pay practice by complaining to her supervisor, Jerry Jones, that she was being paid unfairly compared to her male co-workers performing similarly in equal positions.

36. Shortly thereafter, Jones instructed the plaintiff that it was in her own best interest to interview for and accept the position of Technical Engineer.

37. In January of 1999, the defendant moved the plaintiff to that position.

38. The defendant has further retaliated against the plaintiff by failing to re-hire her. The plaintiff properly applied for an Area Manager position at Goodyear on November 8, 1999. The Employment Specialist, Don Gardner, told her that they are not rehiring for Area Manager positions.

39. However, there are five (5) Area Manager positions available and at least one male Area Manager who retired was rehired. To this date, the defendant has refused to rehire the plaintiff.

VIII. Count V – Constructive Discharge

40. The plaintiff re-alleges and incorporates by reference paragraphs 1-39 above

with the same force and effect as if fully set out in specific detail herein below.

41. The defendant created an environment so hostile and abusive that the plaintiff suffered depression requiring medical treatment.

42. Eventually, the terms and conditions of her Technical Engineer job and the unwarranted discipline by the defendant forced the plaintiff into resignation against her will.

IX. PRAYER FOR RELIEF

WHEREFORE, the plaintiff respectfully prays that this Court assume jurisdiction of this action and after trial:

1. Issue a declaratory judgment that the employment policies, practices, procedures, conditions and customs of the defendant, Goodyear, are violative of the rights of the plaintiff as secured by Title VII of the Act of Congress known as the "Civil Rights Act of 1964," as amended, 42 U.S.C. § 2000e et seq., the "Equal Pay Act", 29 U.S.C. §206(d) and 29 U.S.C. 215(a)(3) and the "Age Discrimination in Employment Act", 29 U.S.C. §621 et seq.

2. Grant the plaintiff a permanent injunction enjoining the defendant, Goodyear, its agents, successors, employees, attorneys and those acting in concert with the defendants, from continuing to violate Title VII of the Act of Congress known as the "Civil Rights Act of 1964," as amended, 42 U.S.C. § 2000e et seq. and the "Equal Pay Act", 29 U.S.C. §206(d) and 29 U.S.C. 215(a)(3) and the "Age Discrimination in Employment Act", 29 U.S.C. §621 et seq

3. Enter an Order requiring the defendant to make the plaintiff whole by awarding her reinstatement, lost wages (plus interest), liquidated damages, compensatory and

punitive damages, front pay and loss of benefits including retirement, pension seniority and other benefits of employment.

4. The plaintiff further prays for such other relief and benefits as the cause of justice may require, including, but not limited to, an award of costs, attorneys' fees and expenses.

ANSWER

COMES NOW Defendant, Goodyear Tire and Rubber Company, Inc. (“Goodyear”), and for answer to plaintiff’s complaint, states as follows:

FIRST DEFENSE

To the extent Plaintiff seeks to recover under Title VII, as amended, for events occurring more than 180 days before she filed her EEOC charge, such claims are barred by

Plaintiff's failure to file a timely charge of discrimination, a necessary condition precedent to suit.

SECOND DEFENSE

To the extent Plaintiff has not filed her Complaint within ninety (90) days of the date she received her Notice of Right to Sue from the EEOC, her claims under Title VII, as amended, are untimely.

THIRD DEFENSE

To the extent Plaintiff seeks recovery under Title VII, as amended, for events that are not like or related to the allegations in her EEOC charge she has failed to satisfy a necessary condition precedent to suit.

FOURTH DEFENSE

To the extent Plaintiff's claims occurred beyond the applicable statutes of limitations period, those claims are barred.

FIFTH DEFENSE

Plaintiff's claims for equitable relief may not be tried before a jury.

SIXTH DEFENSE

To the extent that Plaintiff's Complaint challenges employment decisions affecting her, such decisions were made on the basis of legitimate non-discriminatory factors. To the extent a fact finder finds otherwise, Goodyear would nevertheless have made the same decisions regarding Plaintiff.

SEVENTH DEFENSE

To the extent Plaintiff has failed to satisfy her duty to mitigate her damages, Plaintiff's claims for backpay should be dismissed.

EIGHTH DEFENSE

Plaintiff's claims are barred in whole or in part by the doctrines of unclean hands, waiver, laches, and estoppel.

NINTH DEFENSE

Plaintiff's damages under Title VII, if any, are subject to limitations found at 42 U.S.C. ' 1981a(b)(3).

TENTH DEFENSE

Plaintiff is not entitled to an award of punitive damages as she has not pled and cannot prove facts sufficient to support an award under applicable law.

ELEVENTH DEFENSE

An award of punitive damages against Goodyear would violate the constitutions of the United States and the State of Alabama.

TWELFTH DEFENSE

Plaintiff cannot recover punitive damages against defendant because such an award, which is penal in nature, would violate defendant's constitutional rights protected under the Alabama Constitution of 1901, as amended (the "Alabama Constitution"), and the Constitution of the United States (the "United States Constitution"), unless defendant is afforded the same procedural safeguards as are criminal defendants, including, but not limited to, the right to avoid self-incrimination, the right to forego production and

disclosure of incriminating documents, and the right to the requirement of a level of proof beyond a reasonable doubt.

THIRTEENTH DEFENSE

Based upon Alabama procedures relative to punitive damages, which provide no objective, logical, or reasonable standards or criteria which govern the award, and the amount of the award, of punitive damages, Goodyear is denied equal protection of the laws as guaranteed by the Fourteenth Amendment to the United States Constitution, and Article 1, “ 1, 6, and 22 of the Alabama Constitution, separately and severally.

FOURTEENTH DEFENSE

Goodyear adopts all defenses made available to it under the decision rendered by the United States Supreme Court in BMW of North America, Inc. v. Gore, 116 S. Ct. 1589 (1996).

FIFTEENTH DEFENSE

Plaintiff is not entitled to an award of punitive damages because Goodyear made a good faith effort to comply with Title VII.

SIXTEENTH DEFENSE

For answer to the numbered paragraphs of Plaintiff's Complaint, Goodyear says as follows:

1) Goodyear admits that this Court has subject matter jurisdiction over all claims brought by this Plaintiff pursuant to Title VII of the Civil Rights Act of 1964, as amended. * * * * *

[*36]

Q. LET'S JUST TALK ABOUT MR. MAUDSLEY.

A. OKAY.

Q. DID MR. MAUDSLEY – WHAT WAS HIS JOB AT THAT PARTICULAR TIME, WHAT DID HE DO TO YOU?

A. HE WAS MY BUSINESS CENTER MANAGER, OR AT THAT TIME, THEY WERE CALLED DEPARTMENT FOREMEN. HE WAS RATING ME, DOING THE ANNUAL EVALUATIONS.

AND HE TOLD ME THAT IF I WOULD MEET HIM OVER AT THE RAMADA INN IN ATTALLA, THAT I POSSIBLY COULD MOVE UP FROM BEING EVALUATED ELEVEN OUT OF TWELVE, WHICH IS NEAR THE BOTTOM; OR I MIGHT BE UP TO FIVE OR MAYBE EVEN A THREE.

Q. WHAT ELSE DID MR. MAUDSLEY SAY?

A. AND HE SAID IF I DIDN'T DO THAT, THAT I WOULD NOT GET EVALUATED VERY HIGHLY. AND I ASKED HIM HOW COULD HE DO THAT, BASED ON MY JOB [*37] PERFORMANCE. AND HE SAID IT WAS MORE IMPORTANT AT GOODYEAR THAT MY BOSSES LIKED ME THAN ME TO DO A GOOD JOB.

THE COURT: NOW, LADIES AND GENTLEMEN, LET ME GIVE YOU A CAUTIONARY INSTRUCTION. YOU SHOULD NOT RECEIVE THIS TESTIMONY AND EVIDENCE FOR THE PURPOSE OF ASSESSING DAMAGES,

BECAUSE IT OCCURRED TOO FAR BACK IN TIME OF LIABILITY FOR THE COMPANY.

Q. WHAT DID YOU DO AFTER MR. MAUDSLEY MADE THAT COMMENT TOWARDS YOU?

A. WELL, I TRIED TO HANDLE IT MYSELF FOR A WHILE AND IT CONTINUED TO GET WORSE, SO I WENT TO JERRY JONES FOR ASSISTANCE. BECAUSE AT THAT TIME, HE WAS IN H.R. AND HE WAS PERSONNEL SPECIALIST IN THE RADIAL PLANT.

Q. SO, JERRY JONES IS THE NAME OF THIS – HE WAS A PERSONNEL SPECIALIST?

A. THAT’S WHAT I KNEW HIM AS.

Q. SO YOU WENT TO JERRY JONES, AND WHAT DID YOU SAY TO HIM?

A. I TOLD HIM I NEEDED SOME ASSISTANCE, I WAS BEING HARASSED; AND I NEEDED TO EITHER BE MOVED OR I NEEDED SOMEBODY TO HELP ME IN REGARDS TO MY SITUATION.

Q. WHAT DID JERRY JONES SAY TO YOU WHEN YOU TOLD HIM ABOUT

WHAT MR. MAUDSLEY HAD DONE ABOUT THE SEXUAL HARASSMENT? WHAT DID HE SAY?

A. HE TOLD ME I WAS A TROUBLEMAKER, AND THAT MR. – WE’RE NOT TALKING ABOUT – HE SAID THAT THESE MEN HAD GOOD

CAREERS [*38] AT GOODYEAR AND THEY WERE NOT GOING TO DISMISS THEM; AND THAT GOODYEAR REALLY DIDN'T NEED TROUBLEMAKERS LIKE ME.

Q. AND IS THAT – AFTER THAT IS WHEN YOU FILED YOUR EEOC CHARGE?

A. YES, SIR. WELL, ACTUALLY, I HAD ANOTHER MEETING WITH MR. JONES SOME TIME LATER, AND HE SAID THEN THAT THEY WOULD GET RID OF ME. AND THAT'S WHEN I WENT TO THE PAY PHONE AND CALLED EEOC.

Q. WHAT HAPPENED WITH THE EEOC?

A. I BEGGED THEM TO GET A CHARGE IN THERE BEFORE THE NEXT WEEK, BECAUSE I KNEW THAT WHEN – BY THE NEXT WEEK, THAT I'D PROBABLY BE TERMINATED.

Q. AND THEN – SO YOU FILED AN EEOC CHARGE; RIGHT?

A. YES, SIR.

Q. THAT'S EXHIBIT 3?

A. YES, SIR.

Q. AND THEN AFTER YOU FILED THE EEOC CHARGE, HOW WAS THAT RESOLVED?

A. I RECEIVED THE RIGHT TO SUE, AND THEN WE – THE COMPANY AND I REACHED AN

AGREEMENT, AND I GOT MY AREA
MANAGER'S JOB BACK AND MOVED AWAY
FROM THOSE TWO.

Q. SO YOU WERE PUT – YOU HAD BEEN TAKEN
OUT OF THE MANAGEMENT JOB AND YOU
GOT PUT BACK IN THE AREA MANAGER JOB
IN 1982 OR '83?

A. YES, SIR.

* * * * *

[*40]

Q. NOW, FROM 1990 TO 1998, MOVING ON UP TO
– CLOSER TO THE PRESENT, AND UP TO THE
PRESENT WHEN YOU LEFT – DID YOU WORK
WITH, OR WERE YOU SUPERVISED BY MR.
MAUDSLEY OR MR. JONES?

A. YES. YES, SIR.

Q. WHO AMONG – WHO OF THOSE TWO
SUPERVISED YOU FIRST?

A. I HAD – WELL, ACTUALLY, I WASN'T
SUPERVISED BY MAUDSLEY, HE WAS MY
AUDITOR.

Q. WHAT IS AN AUDITOR?

A. AN AUDITOR IS ONE WHO COMES THROUGH
THE DEPARTMENT AND HE CHECKS CERTAIN
ASPECTS OF THE DEPARTMENT, WHETHER IT
BE SAFETY, HOUSEKEEPING – THERE'S

ABOUT EIGHT DIFFERENT THINGS THAT HE CHECKS – AND HE EVALUATES. HE HAS FORMS HE FILLS OUT. AND THEN ALSO, THE AREA MANAGERS COMPLETE CERTAIN [*41] FORMS, DOCUMENTS. AND MY – THE TIRE BUILDERS, THE WORKERS, FILLED OUT FORMS; AND WE, IN TURN, TURNED THOSE IN, AND HE KEEPS CHECK ON THOSE, TOO.

Q. MR. MAUDSLEY WOULD KEEP RECORDS OF YOUR PERFORMANCE –

A. THAT'S CORRECT.

Q. – THROUGH THESE AUDITS? HOW DID HE EVALUATE YOU?

A. VERY POORLY. IN FACT, HE COME THROUGH THE DEPARTMENT AND WRITE PEOPLE UP FOR NOT – FOR EXAMPLE, NOT HAVING SAFETY EQUIPMENT ON. AND YOU COULD BE – I COULD BE STANDING THERE LOOKING AT THEM AND THEY'D HAVE IT ON. BUT YET HE WOULD FILL THE PAPERWORK OUT THAT THEY DID NOT HAVE IT ON. HE'D ALSO SAY I HADN'T TURNED IN FORMS, AND I HAD.

Q. SO, SAFETY EQUIPMENT, SUCH AS – SAY, FOR EXAMPLE, GOGGLES?

A. RIGHT.

Q. GIVE ME AN EXAMPLE OF THAT SITUATION.

A. I HAD ONE TIRE BUILDER THAT HE HAD HIS COMPLETE PPE EQUIPMENT ON: EAR PLUGS,

GOGGLES, SAFETY SHOES – AND MAUDSLEY DISCUSSED GOLF WITH HIM. BUT YET, WHEN THE PAPERWORK CAME BACK, MY BUILDER GRAY GOT WROTE UP FOR NOT HAVING PPE EQUIPMENT ON.

Q. DID HE HAVE IT ON?

A. YES, HE HAD IT ON. AND HE HAD HAD IT ON THAT NIGHT.

Q. DID YOU – WHEN YOU WERE GETTING THESE – DID YOU THINK THESE SCORES THAT MR. MAUDSLEY WAS GIVING YOU WERE CORRECT? [*42]

A. NO.

Q. WERE THEY –

A. – I KNEW THEY WASN'T.

Q. DID YOU CONFRONT HIM ABOUT THESE ERRONEOUS SCORES THAT HE WAS GIVING YOU?

A. YES, I DID. I WENT TO MR. MAUDSLEY FIRST –

MR. ST. CLAIR: YOUR HONOR, AGAIN, I OBJECT TO THIS ON THE ISSUE OF TIMELINESS. IT'S NOT THE ISSUES OF THIS CASE.

MR. GOLDFARB: THIS –

THE COURT: RESPONSE?

MR. GOLDFARB: HE WAS HER AUDITOR IN AS
LATE AS 1997 AND '98 – '97 –

THE WITNESS: – '97

MR. GOLDFARB: – HE WAS HER AUDITOR.

THE COURT: OBJECTION IS OVERRULED.

Q. GO AHEAD.

A. I WENT TO MIKE AND ASKED HIM WHY DID HE CONTINUE TO DOWNGRADE MY DEPARTMENT AND DOWNGRADE MY REPORTS WHEN HE KNEW THAT THEY WAS THERE AND IT WAS – IT'S GOOD AND BETTER THAN MOST. AND HE SAID, WELL, HELL, IT'S A LOT EASIER TO DOWNGRADE YOU. HE SAID, YOU'RE JUST A LITTLE FEMALE AND THESE BIG OLD GUYS, I MEAN, THEY'RE GOING TO BEAT UP ON ME AND PUSH ME AROUND AND CUSS ME. AND SAID, I KNOW YOU'RE NOT GOING TO [*43] CUSS BACK. HE SAID, HELL, IT'S A LOT EASIER TO WRITE YOU UP.

Q. DID MR. MAUDSLEY DO ANYTHING ELSE TO YOU SIMILAR TO THAT?

A. YES, SIR. HE CONTINUED TO ASK ME OUT, GO OUT WITH HIM. AND I FINALLY TOLD HIM NO. AND THEN FROM THAT STANDPOINT, MY EVALUATIONS, THE AUDITS GOT WORSE.

* * * * *

[*57]

Q. WHEN YOU WERE IN THE RLT JOB, WHAT WAS THE LAST DOCUMENT THAT – THAT’S THE JOB THAT MR. PAYNE GOT – WHAT WAS THE LAST DOCUMENT THAT YOU RECEIVED FROM GOODYEAR RELATED TO YOUR JOB PERFORMANCE?

A. THAT IT WAS OUTSTANDING. [*58]

Q. WAS IT –

A. – GREAT JOB.

Q. OKAY. WHAT WAS THAT DOCUMENT?

A. IT WAS A NOTE FROM KIM WHITEMAN.

Q. DID YOU RECEIVE ANY PERFORMANCE AWARDS WHILE YOU WERE IN THE RLT?

A. YES, I DID.

Q. WHAT TYPE OF PERFORMANCE AWARDS?

A. THAT WAS 1995 WHEN MIKE TUCKER TOLD ME I’D DONE AN OUTSTANDING JOB, I GOT A TOP PERFORMANCE AWARD.

Q. WAS THAT THE LAST DOCUMENT YOU RECEIVED WHEN YOU WERE IN RLT?

A. THAT’S CORRECT.

* * * * *

[*74]

Q. WHEN YOU WENT OVER TO THE TECHNOLOGY ENGINEER JOB, TELL ME, DID YOU RECEIVE ANY TRAINING, MATERIALS –

A. NO, SIR.

Q. – OR ANYTHING –

A. NO, SIR. THEY SAID THERE WAS NOT ANY. I ASKED FOR A JOB DESCRIPTION AND A PROCEDURE BOOK, AND THEY DIDN'T HAVE THEM.

Q. NOW, AS AN AREA MANAGER ALL YOUR CAREER, YOU'VE BEEN SUPERVISING PEOPLE; RIGHT?

A. RIGHT.

Q. YOU GO OVER TO THE TECH JOB, AND TELL US WHAT – WHAT WERE YOUR DUTIES, WHAT DID YOU DO WHEN YOU GOT OVER TO THE TECHNICAL ENGINEER JOB, WHAT DID THEY HAVE YOU DOING?

A. ONE OF THE MAIN RESPONSIBILITIES, WE WERE RUNNING HUMMER TIRES IN THE PLANT. AND IT WAS OUR JOB TO CHECK, HAND CHECK, AT LEAST A HUNDRED AND TWENTY-FIVE PER SHIFT, WHICH MEANT THAT IF THE OFF-GOING SHIFT DIDN'T DO THEIRS, THAT MEANT I CAUGHT 250 OF

THEM. [*75] AND THEY WEIGH 80 POUNDS A PIECE. THEY GO ON HUMMERS. THEY'RE EXTREMELY HEAVY TIRES. THERE WERE 16 PER TRUCK. I HAD TO GET THEM OFF THE TRUCK. I HAD TO EXAMINE THEM INSIDE, BOTH SIDES, TREAD, ALL THE – THE ENTIRE TIRE, BECAUSE THIS COULD NOT – WE COULD NOT HAVE ANY DEFECTS GET OUT OF THE PLANT. AND THEN I HAD TO EXAMINE APPROXIMATELY 120 OF THE REGULAR TIRES PER SHIFT, AND I HAD TO WORK IN THE PITS ALSO. AND THE PITS IS WHERE THEY CURED THE TIRES.

Q. HOW DID YOU MOVE THESE 80-POUND TIRES AROUND?

A. JUST ROCKING AND PUSHING UNTIL I COULD GET THEM OFF THE TRUCK. AND JUST ROCKING AND PULLING AND PUSHING, AND FINALLY GET THEM OFF THE TRUCK.

Q. COULD YOU PICK THEM UP?

A. I COULDN'T PICK THEM UP. 80 POUNDS EACH, I'D JUST KEEP ROLLING THEM UNTIL I COULD CHECK EACH SECTION AND EACH SPOT ON THE TIRE – INSIDE AND OUT.

Cross-Examination of Lilly Ledbetter

[*90]

- Q. YES, MA'AM. YOU DON'T – YOU DON'T CLAIM TO BE AS QUALIFIED AS DICK JONES TO BE AN AREA MANAGER IN THE TIRE ASSEMBLY ROOM, DO YOU?
- A. HOW DO YOU DEFINE “AS QUALIFIED”? BECAUSE I HAD 20 YEARS EXPERIENCE AS AN AREA MANAGER; I HAD BEEN A MANAGER FOR 15 YEARS PRIOR TO GOING TO GOODYEAR, AND MANAGEMENT IS MANAGEMENT.

* * * * *

Redirect Examination of Lilly Ledbetter

[*151]

- Q. MR. JONES IS THE PERSON WHEN YOU – WHO YOU COMPLAINED ABOUT THE SEXUAL HARASSMENT; RIGHT?
- A. THAT'S RIGHT.
- Q. AND LOTHER YARBROUGH IS THE PERSON WHO WAS PUTTING HIS HANDS ON YOU THAT YOU JUST TESTIFIED ABOUT IS THE PERSON YOU TOLD MR. JONES ABOUT; RIGHT?
- A. THAT'S RIGHT.

Q. AND WHAT DID HE SAY TO YOU?

A. HE SAID, WELL, LOTHER HAS 30 YEARS SERVICE, HE'S A GOOD EMPLOYEE AND WE'LL DEFINITELY KEEP HIM. YOU'RE A TROUBLEMAKER AND WE DON'T NEED YOU.

* * * * *

Direct Examination of Cathy Robertson

[*206]

Q. HAVE YOU EVER WORKED AT THE GOODYEAR PLANT BEFORE?

A. YES, SIR, I HAVE.

Q. TELL ME ABOUT YOUR EMPLOYMENT HISTORY, PLEASE, AT THE GOODYEAR PLANT.

A. I HIRED IN IN APRIL OF 1976. I WORKED AS A UNION WORKER IN THE PLANT FOR 17 YEARS. I BUILT TUBES, CURED, BUILT TIRES FOR EIGHT YEARS.

I WAS A UNION REPRESENTATIVE FOR ONE YEAR, AND I – IN SUPERVISION FOR FIVE YEARS.

* * * * *

[*208]

Q. YOU WERE SUPERVISED BY MEN OR WOMEN?

A. IT WAS JUST MEN.

Q. AT SOME POINT – WELL, ALSO, YOU SAID YOU WERE A UNION – HOW LONG WERE YOU A UNION REP?

A. ONE YEAR.

Q. AT SOME POINT, DID YOU BECOME AN AREA MANAGER.

A. YES, SIR. IN 1993, I – THEY OPENED UP A TESTING, ASSESSMENT PROGRAM WHERE ANYBODY THAT WAS INTERESTED COULD TURN IN A RESUME. AND IF THEY WERE CHOSEN, THEY COULD GO THROUGH THIS CLASS AND TEST AND GO THROUGH ALL KIND OF QUESTIONS AND ANSWER SESSIONS; THEN THEY CHOSE FROM THAT POOL. I DON'T REMEMBER HOW MANY SUPERVISORS THEY PUT ON AT THAT TIME, BUT IT WAS PROBABLY TWO OR THREE.

Q. AND YOU WERE ONE OF THEM?

A. YES, SIR.

Q. YOU KNOW WHY YOU WERE PICKED?

A. WELL, I HAVE MY IDEAS ABOUT THAT. I FEEL LIKE IT WAS TIME THAT THEY HAD ANOTHER WOMAN SUPERVISOR –

MR. ST. CLAIR: YOUR HONOR, I OBJECT TO WHAT SHE FELT.

THE COURT: SUSTAINED.

BY MR. GOLDFARB:

Q. HOW LONG DID YOU WORK AS AN AREA MANAGER? [*209]

A. FIVE YEARS.

Q. WHERE DO YOU WORK – DID YOU LEAVE?

A. YES, SIR. I TOOK A BUYOUT WHEN THE PLANT DECIDED TO CLOSE DOWN. I FIGURED I'D BE THE FIRST ONE OUT THE DOOR –

Q. WHERE DO YOU WORK TODAY?

A. I WORK AT HONDA MANUFACTURING IN LINCOLN.

Q. ARE YOU A SUPERVISOR AT HONDA TODAY?

A. YES, SIR.

Q. WERE YOU EVALUATED WHILE YOU WERE AN AREA MANAGER?

A. THE ONLY EVALUATION I REMEMBER WAS THE YEAR BEFORE I LEFT. AND, LITERALLY,

IT STUNK. I REALLY DIDN'T AGREE WITH IT. I TOLD THE GENTLEMAN THAT WAS GIVING THE EVALUATION – TELLING ME THE RESULTS OF THE EVALUATION THAT I DIDN'T AGREE WITH IT. AND HE SAID, WELL, THAT'S JUST THE WAY IT IS. THIS IS THE WAY YOU'RE EVALUATED. AND THEY JUST LEFT IT AT THAT. I JUST TOLD THEM I DIDN'T AGREE WITH ANY OF IT.

Q. WERE YOU DOING ANYTHING DIFFERENT THAN THE MEN THAT WORKED ALONG BESIDE OF YOU –

A. NO, SIR, WE WORKED IN THE SAME JOB.

Q. WHY DO YOU THINK YOU WERE – WHY WERE YOU GRADED LOWER?

MR. ST. CLAIR: YOUR HONOR, OBJECT TO WHAT SHE THINKS OR FEELS.

Q. WHY – WHAT IS YOUR UNDERSTANDING THAT YOU WERE GRADED LOWER – YOUR OPINION? [*210]

THE COURT: OVERRULED. I'LL ALLOW HER TO TESTIFY TO HER UNDERSTANDING.

BY MR. GOLDFARB:

Q. WHAT IS YOUR UNDERSTANDING?

A. MY UNDERSTANDING WAS THAT I JUST – THE WAY THEY PUT IT, I WAS NOT DOING THE JOB 100 PERCENT THAT THEY – WHAT

THEY EXPECTED OF ME. AND I WAS DOING MY JOB EXACTLY LIKE EVERYBODY ELSE WAS. I WAS DOING WHAT THEY TOLD ME TO DO. AND ANYTHING THEY SAID WHAT THEY WERE EXPECTING OF ME, THAT'S WHAT I DONE.

Q. AND YOU WERE WORKING THE SAME AS THE MEN?

A. YES, SIR.

Q. WHAT – WHAT WAS YOUR – DID YOU REACH AN UNDERSTANDING AS TO WHY YOU WERE PAID – WHY YOUR EVALUATION WAS LOWER?

A. JUST SEEMED – WELL, THE WOMEN WERE, FOR SOME REASON, RATED LOWER THAN THE MEN. THEY DIDN'T THINK THEY COULD DO THE JOB THAT THE MEN COULD DO.

Q. DID YOU LET THEM KNOW YOU THOUGHT THE EVALUATION WAS WRONG?

A. YES, SIR, I DID.

Q. AS A RESULT – WELL, TELL ME ABOUT YOUR RAISES AS A RESULT OF THE EVALUATION. HOW DID THAT GO?

A. THE RAISE THAT WAS GIVEN TO ME AT THAT EVALUATION, I WAS TOLD BY SAM CLARK THAT THAT RAISE – THAT HE HAD TO GET ME UP TO A CERTAIN LEVEL BECAUSE I WAS

WAY BELOW THE LEVEL THAT I [*211] WAS SUPPOSED TO BE AT, PAY WISE.

Q. SAM CLARK IS UPPER MANAGEMENT?

A. HE WAS LIKE A MANAGER OVER THE AREA MANAGERS. YES, SIR.

Q. DO YOU KNOW HOW MUCH YOU WERE PAID WHEN YOU STARTED OFF AS AN AREA MANAGER?

A. NO, SIR, I DON'T KNOW HOW MUCH I MADE WHEN I STARTED OFF. I KNOW WHAT I COME OUT MAKING.

Q. ALL RIGHT. IF I COULD GET EXHIBIT –

MR. GOLDFARB: I WANT TO OFFER EXHIBIT 98, WHICH IS HER PAY RECORDS.

THE COURT: WITHOUT OBJECTION, IT'S RECEIVED IN EVIDENCE.

BY MR. GOLDFARB:

Q. THIS IS EXHIBIT 98.

THE COURT: IT MAY BE PUBLISHED TO THE JURY.

BY MR. GOLDFARB:

Q. MA'AM, I DON'T KNOW IF YOU'VE EVER SEEN THAT BEFORE, THAT'S SOMETHING THE COMPANY DOES, IT SHOWS YOUR PAY

RECORDS. HAVE YOU SEEN ANYTHING LIKE THAT?

A. NO, SIR.

Q. DID YOU KNOW WHAT YOUR PAY WAS – I UNDERSTAND YOU WERE TOLD YOU WERE PAID LESS – BUT DID YOU KNOW WHAT YOUR PAY WAS IN COMPARISON TO THE MEN YOU WORKED WITH?

A. NO, SIR. I DIDN'T KNOW THERE WAS ANY LIMIT THEY HAD TO BE AT. I WAS NOT TOLD THERE WAS A LEVEL THAT WAS A MINIMUM [*212] LEVEL OR A MAXIMUM LEVEL. I WAS JUST TOLD, THIS IS WHAT YOU WOULD BE PAID. THERE WOULD BE NO DEDUCTION, THIS IS IT.

Q. THESE ARE SOME EXHIBITS THAT THE DEFENDANT ENTERED. AND IF I COULD SHOW YOU –

MR. GOLDFARB: MAY I APPROACH THE WITNESS, YOUR HONOR?

THE COURT: YES.

BY MR. GOLDFARB:

Q. EXHIBIT 61 WAS MR. AMBERSON'S RECORDS, AND THE COMMON DATE IS 2/1/95. YOU SEE THAT ON THERE?

A. YES.

- Q. AND YOU'RE AT 2728 A MONTH; RIGHT?
- A. YES, SIR.
- Q. MR. AMBERSON, DO YOU SEE HOW MUCH HE IS AT A MONTH?
- A. 4425.
- Q. THAT'S ON DEFENDANT'S EXHIBIT 61. ANOTHER AREA MANAGER THEY'VE GIVEN US THAT WE HAVE HERE IS MR. BARNES. ON 2/1/95, YOU WERE AT 27, HE WAS AT HOW MUCH?
- A. 4186.
- Q. AND MR. TODD, WHAT WAS HE AT WHEN YOU WERE 2728?
- A. 4662.
- Q. MR. THOMPSON, 64, WHAT WAS HE AT ON THAT DATE?
- A. 4320.
- Q. AND MR. MYERS? [*213]
- A. 3960.
- Q. AND YOU WERE AT 27?
- A. YES, SIR.

- Q. DID YOU KNOW THAT THEY WERE PAID THAT MUCH MORE THAN YOU?
- A. YOU ALWAYS HEAR RUMORS THAT – AND I’VE HEARD IT OUT OF SEVERAL PEOPLE’S MOUTHS THAT THEY MADE QUITE A BIT MORE THAN I DID.
- Q. AND YOU COULD GET OVERTIME AS AN AREA MANAGER AT THAT COMPANY; RIGHT?
- A. YES, SIR.
- Q. THAT’S – YOU UNDERSTOOD THAT THEY ALSO GOT OVERTIME; RIGHT?
- A. YES, SIR. BUT THAT WOULDN’T BE REFLECTED ON YOUR –
- Q. BUT THAT'S NOT OVERTIME?
- A. – RIGHT.
- Q. DID YOU COME TO AN UNDERSTANDING AS TO WHY YOU WERE BEING PAID LESS THAN THE MEN THAT WERE HOLDING THE SAME JOB YOU WERE?
- A. NO, SIR, I WAS NEVER GIVEN THE REASON FOR THAT. I – I ALWAYS FELT BECAUSE I WAS A FEMALE AND I WAS PUT IN –

MR. ST. CLAIR: YOUR HONOR, I OBJECT TO FEELINGS.

BY MR. GOLDFARB:

Q. WHAT WAS YOUR UNDERSTANDING?

THE COURT: SUSTAINED.

Q. DID YOU COME UP WITH ANY OTHER REASON AS TO THE REASON [*214] YOU WERE PAID LESS AS AN AREA MANAGER THAN THE MEN?

A. JUST BEING A FEMALE –

Q. ALL RIGHT. AND YOUR HIRE DATE –

A. – IN A MAN’S WORLD.

Q. – WAS 1976; RIGHT?

A. YES, SIR.

Q. YOU WERE – DO YOU KNOW WHETHER YOU WERE HIRED BEFORE OR AFTER DONALD MYERS?

A. NO, SIR, I DON’T KNOW WHAT DATE HE WAS HIRED ON.

Q. LOOK AT EXHIBIT 63, SEE WHAT HIS CONTINUOUS SERVICE DATE IS?

A. 11/16/77.

Q. SO YOU WERE HIRED BEFORE HIM?

A. YES, SIR. I WAS HIRED IN ‘76.

- Q. DID YOU EVER COMPLAIN THAT YOU WERE BEING PAID LESS BECAUSE OF YOUR GENDER?
- A. NO, SIR, I DID NOT COMPLAIN, BECAUSE I WAS A SINGLE MOTHER WITH A HANDICAPPED CHILD, AND I FELT THAT MY JOB – I KNEW THAT MY JOB WOULD BE IN JEOPARDY IF I STARTED COMPLAINING ABOUT THE PAY. AND YOU DID NOT HAVE ANY SECURITY BEING ON A SALARY JOB, BECAUSE THEY COULD LET YOU GO AT ANY TIME FOR ANY REASON.
- Q. DID YOU WORK WITH MRS. LEDBETTER WHILE YOU WERE AN AREA MANAGER?
- A. YES, SIR, I DID. [*215]
- Q. DID YOU SAY YOU WERE AN AREA MANAGER IN STOCK PREP?
- A. STOCK PREP. UH-HUH.
- Q. AND SHE WAS AN AREA MANAGER WHERE, WHEN YOU WERE IN STOCK PREP?
- A. SHE WAS IN THE TIRE ROOM. WE SUPPLIED THE COMPONENTS FOR HER TIRES.
- Q. SO YOU GET THE COMPONENTS TOGETHER AND SHE BUILDS THE TIRES?
- A. RIGHT.

Q. DID YOU HAVE ANY – SO YOU HAD TO WORK WITH HER; RIGHT?

A. YES, SIR.

Q. WERE YOU ON NIGHT SHIFT?

A. YES, SIR.

Q. AND SHE WAS ON NIGHT SHIFT?

A. YES, SIR.

Q. DID YOU HAVE ANY PROBLEMS WITH THE WAY SHE DID HER JOB?

A. NO, SIR, I DID NOT.

Q. DID IT CAUSE YOU ANY PROBLEMS ON YOUR END?

A. NO, SIR, IT DID NOT.

Q. FROM YOUR UNDERSTANDING, DID MRS. LEDBETTER KNOW WHAT SHE WAS DOING ON HER JOB?

A. YES, SHE DID.

* * * * *

Direct Examination of Retha Burns

[*224]

Q. WHEN WERE YOU HIRED AT GOODYEAR?

A. 1971.

Q. WERE YOU EVER A SUPERVISOR AT GOODYEAR?

A. YES, I WAS.

Q. WHEN WERE YOU FIRST A SUPERVISOR.

A. IN 1971, I WENT ON THE PLANT SQUADRON TRAINING PROGRAM, AND I WAS SUPERVISOR UNTIL – FOR EIGHT YEARS.

Q. AND –

A. – 1973, EXCUSE ME.

Q. WHY DID YOU STOP BEING A SUPERVISOR AFTER BEING A SUPERVISOR FOR EIGHT YEARS AT THAT TIME PERIOD?

A. I HAD A SMALL CHILD AT HOME, I WAS A SINGLE PARENT. I WAS WORKING SECOND AND THIRD SHIFT, SIX DAYS A WEEK. THE LADY THAT HAD BEEN KEEPING MY CHILD DIED OF CANCER, AND I HAD NO ONE TO TAKE CARE OF HER.

Q. AT THAT PERIOD OF TIME, IT WAS CALLED SUPERVISOR. DID THAT JOB TITLE LATER GET ANOTHER NAME?

A. AREA MANAGER IS WHAT IT'S CALLED TODAY.

Q. DID YOU FILE AN EEOC CHARGE AGAINST THE COMPANY?

A. YES, SIR, I DID.

MR. GOLDFARB: WE OFFER EXHIBIT 90. [*225]

BY MR. GOLDFARB:

Q. WELL, FIRST, IS THAT THE EEOC CHARGE YOU FILED?

A. YES, SIR, IT IS.

MR. GOLDFARB: WE OFFER EXHIBIT 90.

MR. ST. CLAIR: YOUR HONOR, WE JUST RENEW THE OBJECTION OF THE MOTION IN LIMINE.

THE COURT: ALL RIGHT. IT'S RECEIVED.

BY MR. GOLDFARB:

Q. IN THAT CHARGE YOU STATE THAT YOU WERE DISCRIMINATED AGAINST IN PAY, AMONG OTHER THINGS, BUT YOU SAY IN PAY. DO YOU BELIEVE THAT?

A. YES, SIR, I DO.

Q. HAVE YOU BEEN DISCRIMINATED AGAINST AS A SUPERVISOR, OR AS AN AREA - WORKING THE JOB AS AN AREA MANAGER IN PAY AT GOODYEAR?

A. IN THE EARLY NINETIES, I WAS APPROACHED BY HAROLD SMITH, THE THEN PLANT MANAGER, TO GO BACK ON SUPERVISION. HE CALLED ME INTO HIS OFFICE, TOLD ME HOW MUCH I WOULD BE STARTING AT, WHICH WAS THIRTY-TWO HUNDRED DOLLARS A MONTH, WHICH HE SAID WAS THE BASE SALARY FOR AN AREA MANAGER; AND ASKED ME WOULD I CONSIDER GOING BACK ON SUPERVISION.

AND I DID ACCEPT THE JOB, I DID GO IN THE SUPERVISION JOB. I WORKED IT FOR THREE AND A HALF MONTHS. AT THE END OF THAT TIME, I NEVER GOT ANY MONEY.

I APPROACHED HIM – [*226]

THE COURT: WHAT DO YOU MEAN YOU NEVER GOT ANY MONEY?

THE WITNESS: I NEVER GOT ANY DIFFERENCE IN PAY. AT THE TIME, I WAS A SECRETARY AND I WAS MAKING APPROXIMATELY TWENTY-TWO HUNDRED DOLLARS A MONTH. I WENT ON SUPERVISION JOB, EVEN THOUGH I HAD EIGHT YEARS EXPERIENCE IN THE PAST. HE TOLD ME HE WOULD START ME AT THIRTY-TWO HUNDRED AND THEN HE

WOULD GIVE ME RAISES TO GET ME UP TO WHAT THE MEN WERE MAKING.

HOWEVER, I WORKED THE JOB THREE AND A HALF MONTHS, I NEVER RECEIVED A DIME. I WORKED THAT JOB AS AN AREA MANAGER, I WAS ON SECOND SHIFT – EXCUSE ME, I WAS ON THIRD SHIFT, AND HE NEVER PAID ME.

BY MR. GOLDFARB:

Q. WHERE WERE YOU WORKING AS AN AREA MANAGER AT A SECRETARY'S PAY, WHAT PARTICULAR AREA?

A. I HAD – IT WAS CALLED THE – THERE WAS – IT WAS AN ARF LINE. IN ADDITION I HAD R1, R2, R3H TIRE MACHINES; I HAD TRUCKERS, I HAD INSPECTION. I HAD A TOTAL OF 52 EMPLOYEES THAT I WAS RESPONSIBLE FOR.

Q. WERE THEY MAKING MORE THAN YOU>

A. OH, MUCH MORE.

Q. THE PEOPLE THAT YOU WERE SUPERVISING?

A. EXACTLY. I WAS MAKING SECRETARIAL PAY.

Q. IS THAT PARTICULAR JOB IN THE ARF ROOM ONE OF THE HARDEST [*227] JOBS AS AN AREA MANAGER?

A. AT THAT TIME IT WAS, I WAS TOLD, THE HARDEST JOB.

Q. WHY DO YOU THINK THEY WOULD NOT PAY YOU THE RATE THAT THE PLANT MANAGER TOLD YOU THAT WE WOULD PAY YOU TO GET YOU UP TO THE THIRTY --

A. I THINK IT WAS BECAUSE I WAS A FEMALE.

Q. YOU WERE MAKING APPROXIMATELY -- HE HAD TOLD YOU THIRTY-TWO HUNDRED?

A. YEAH. I WAS GOING TO BE GETTING IN THE NEIGHBORHOOD OF A THOUSAND DOLLAR A MONTH RAISE.

Q. SO YOU WERE MAKING ABOUT 2,000 OR TWENTY-TWO HUNDRED?

A. BETWEEN 2,000 AND TWENTY-TWO HUNDRED. I WAS GOING TO START AT THIRTY-TWO HUNDRED, WITH THE UNDERSTANDING THE FACT THAT I HAD EIGHT YEARS EXPERIENCE THAT HE WOULD PROGRESS ME UP AND GET ME TO WHAT THE MEN WERE MAKING.

Q. WHAT IS YOUR -- HOW DID IT COME UP -- WHAT'S YOUR UNDERSTANDING OF WHAT THE THIRTY-TWO HUNDRED NUMBER REPRESENTED?

A. HE TOLD ME THAT WAS THE BASE LINE FOR AN AREA MANAGER.

Q. DID YOU EVER RECEIVE THE BASE, EVEN THE BASE PAY, AS AN AREA MANAGER?

A. NO. I STAYED DOWN THERE, WHICH WAS THREE AND A HALF MONTHS AT THAT TIME WHEN I WENT BACK AT TWO MONTHS AND ASKED ABOUT THE MONEY. “WE’RE WORKING ON IT.”

I WENT BACK AT THREE MONTHS AND ASKED ABOUT THE MONEY. [*228] “WE’RE WORKING ON IT.” AT THREE AND A HALF MONTHS, HE FINALLY SAYS, “WE CAN’T GIVE YOU THE MONEY.”

Q. AND WHAT HAPPENED?

A. I TOLD HIM I WANTED TO GO BACK TO THE OFFICE. I WAS NOT GOING TO WORK A SUPERVISIONAL JOB FOR SECRETARIAL PAY.

HE TOLD ME HE COULD GIVE ME A 20 PERCENT RAISE. 20 PERCENT, BEING – THAT WOULD HAVE GOT ME UP TO THE NEIGHBORHOOD OF TWENTY-SIX HUNDRED DOLLARS.

Q. STILL BELOW THE BASE?

A. STILL MUCH BELOW THE BASE, FROM WHAT HE TOLD ME THE BASE WAS.

* * * * *

Direct Examination of Kelly Owen

[*257]

Q. – BUT LET ME ASK A QUESTION. I KNOW IT WILL SEEM OBVIOUS, BUT JUST TO ESTABLISH IT. DID YOU HAVE ANY ROLE OR SAY-SO IN WHAT THE SALARIES OF THE EMPLOYEES WERE WHEN YOU CAME INTO THE AREA?

A. NO.

Q. JUST WHATEVER THEY WERE, THEY WERE?

A. YEAH. WHATEVER THEY WERE, THEY WERE. WHAT I HAD SAY-SO IN IS HOW MUCH RAISE THEY GOT FOR THE YEAR OF 19- – FOR '98, I HAD A SAY IN WHAT THE RAISE WAS, BASED ON THEIR '97 PERFORMANCE.

Q. NOW, IN DETERMINING THE RAISE FOR 1998 UNDER THE SYSTEM IN PLACE AT THAT TIME, WERE YOU SUPPOSED TO GIVE CONSIDERATION TO SOMEBODY WHO MAYBE HAD A LOWER SALARY [*258] BECAUSE OF SOMETHING IN THE PAST?

A. NO. IT WOULD HAVE STRICTLY BEEN FOR THE YEAR 1997. NOW, THERE ARE REQUIREMENTS WHERE IF THEY'RE BELOW THE MINIMUM PAY RANGE FOR THEIR JOB, YOU HAVE TO DO SOMETHING. IN THE CASE FOR THIS YEAR, THERE WAS NO ONE BELOW THE MINIMUM PAY RANGE, SO THAT DIDN'T

ENTER INTO THE MERIT PLAN FOR THAT
YEAR.

* * * * *

Cross-Examination of Kelly Owen

[*268]

Q. UNDERLYING THE EVALUATION, YOU'VE GOT YOUR AUDITS AND YOU'VE GOT THE COMPUTER SYSTEM THAT SPITS OUT WHAT YOU NEED IT TO SPIT OUT, AND YOU'VE GOT SOME CHARTS SHOWING THE ACTUAL PRODUCTION YOU'VE TESTIFIED TO; RIGHT?

A. UH-HUH.

Q. CORRECT?

A. THAT'S CORRECT.

Q. AND WHEN YOU GAVE HER THIS EVALUATION, THIS WAS IN FEBRUARY OF 1998; CORRECT?

A. THAT'S CORRECT.

Q. WHERE, SIR, ARE THE UNDERLYING DOCUMENTS THAT CAN SHOW US AND THE JURY, AND CONCLUDE THIS, THAT SHOW HER PRODUCTION IS WORSE THAN EVERYBODY ELSE'S PRODUCTION? WHERE ARE THOSE – WHERE ARE THE AUDITS?

- A. I – SIR, I COULDN'T TELL YOU WHERE THOSE AUDITS ARE. WHAT I CAN TELL YOU IS THAT AT THE TIME WE DID THOSE, THAT ME AND LILLY AND THE REST OF THE TEAM MEMBERS LOOKED AT THOSE DOCUMENTS AND USED THOSE TO JUSTIFY THE COMMENTS THAT I PUT ON THIS.
- Q. BUT MRS. LEDBETTER DIDN'T FILL OUT THAT EVALUATION, DID SHE?
- A. NO.
- Q. GOODYEAR FILLED OUT THAT EVALUATION, DIDN'T THEY?
- A. GOODYEAR DIDN'T FILL IT OUT, I DID. [*269]
- Q. YOU DID? YOU WERE A GOODYEAR MANAGER?
- A. THAT'S CORRECT.
- Q. AND WHAT YOU USED WAS THE DOCUMENTS THAT YOU'VE GONE THROUGH AND TOLD US ABOUT; THE AUDITS, THE – THAT SHOWED WITHOUT QUESTION, HERE IS THE ACTUAL PRODUCTION NUMBERS – AND WHAT MR. ST. CLAIR SAYS IS YOU CAN'T MESS WITH THAT, THAT'S THE REAL THING; AND WE COULD LOOK AT THAT AND SEE WHAT HER PRODUCTION NUMBERS ARE AND EVERYBODY ELSE'S PRODUCTION NUMBERS ARE, COULDN'T WE?
- A. YEAH, BACK IN 1997. YES.

- Q. BUT YOU DESTROYED THOSE DOCUMENTS, DIDN'T YOU?
- A. I DIDN'T DESTROY ANYTHING.
- Q. THEY'RE DESTROYED, AREN'T THEY?
- A. I DON'T KNOW.
- Q. WELL, YOU'D HAVE THEM HERE TODAY IF THEY WEREN'T DESTROYED, WOULDN'T YOU? THEY'D SHOW FOR SURE –
- A. I DON'T KNOW WHERE THE DOCUMENTS ARE, SIR.
- Q. HAVE YOU LOOKED FOR THEM?
- A. NO, I HAVEN'T LOOKED FOR THEM. I JUST FOUND OUT I WAS COMING A WEEK AGO.
- Q. DO YOU KNOW WHY I DON'T HAVE THEM? BECAUSE I'VE ASKED FOR THEM.
- A. OKAY.
- Q. DO YOU KNOW WHY? DO YOU KNOW WHY WE DON'T HAVE THEM?
- A. I DON'T KNOW. [*270]
- Q. IS THERE – IS THERE A POLICY –
- A. – I DON'T KNOW –

- Q. – WELL, DO YOU KNOW THAT MRS. LEDBETTER WENT TO THE EEOC A MONTH AFTER THIS DATE THAT YOU’D SAT DOWN WITH HER, A MONTH OR SO AFTER, FILLED OUT A QUESTIONNAIRE; THREE MONTHS LATER, SHE FILES A CHARGE AND Y’ALL GET IT IN SEPTEMBER, AND THEN THOSE DOCUMENTS ARE GONE; DO YOU KNOW WHY?
- A. NO, I DON’T KNOW WHY.
- Q. I MEAN, WOULDN’T YOU THINK THAT’S THE BEST WAY TO SHOW OBJECTIVELY THAT HER PERFORMANCE IS NOT AS GOOD AS EVERYBODY ELSE’S, TO COME UP WITH THE ACTUAL “HERE’S THE PRODUCTION NUMBERS”?
- A. I DIDN’T FEEL THERE WAS A NEED FOR THAT, BECAUSE WE REVIEWED THOSE AT THE TIME OF THE EVALUATION. AND WHAT YOU HAVE TO REMEMBER IS THAT THE TEAM MEMBER HAS AN OPPORTUNITY TO MAKE COMMENTS WHEN THEY DISAGREE WITH THEIR EVALUATION, AND THEY ALSO HAVE THE OPPORTUNITY TO – THEY GET IT TO SIGN IT.
- Q. WOULDN’T YOU THINK MRS. LEDBETTER WAS – IF SHE’S IN A NEW JOB, GOT TRANSFERRED OUT OF HER JOB, SHE’S SCARED TO DEATH THAT SHE’S ABOUT TO LOSE HER JOB? HERE SHE GOES OFF TO A NEW JOB, YOU KNEW SHE WAS SCARED.

- A. AT THE TIME I EVALUATED MRS. LEDBETTER, I DON'T THINK SHE WAS CONCERNED SHE WAS GOING TO LOSE HER JOB.
- Q. ONE THING THAT YOU DID HAVE – YOU LOOKED BACK AT THE [*271] PRIOR YEAR – WAS THE NOTES THAT JERRY JONES MADE ABOUT MRS. LEDBETTER, DIDN'T YOU?
- A. JERRY PROVIDED ME WITH SOME NOTES HE PASSED DOWN. THAT'S CORRECT.
- Q. HOW MANY PAGES?
- A. I DON'T RECALL HOW MANY PAGES THERE WERE OF NOTES. IT WAS – WE SAT DOWN FOR A DAY AND WENT THROUGH EVERY MANAGER'S STRENGTHS AND WEAKNESSES. AND THERE WERE SOME COMMENTS ON, YOU KNOW, WHERE HE FELT PEOPLE NEEDED TO WORK TO GET TO BE BETTER MANAGERS, AND KIND OF GOT ME UP TO SPEED ON THE PEOPLE RUNNING THE DEPARTMENT.
- Q. AND THOSE NOTES ARE SOME OTHER UNDERLYING DOCUMENTS THAT WOULD SHOW WHAT WENT INTO THE EVALUATION THAT THEY'RE USING TO SAY HER PERFORMANCE IS BAD; RIGHT?
- A. NO. I WOULDN'T HAVE USED JERRY'S DOCUMENTS THAT HE PROVIDED ME TO DO THIS EVALUATION.

Q. YOU WOULD IGNORE THE NOTES THAT HE HAD – HE'D BEEN WITH HER THE MAJORITY OF THAT YEAR AND THE YEAR BEFORE; RIGHT?

A. THE NOTES THAT JERRY GAVE ME WERE NOT PERFORMANCE NUMBERS. THEY WEREN'T NUMBERS THAT YOU COULD ACTUALLY DO AN EVALUATION ON.

THE PERFORMANCE NUMBERS WERE IN THE BUSINESS CENTER SCORECARDS THAT WERE KEPT THROUGHOUT THE BUSINESS. THE NOTES THAT JERRY SHARED WITH ME ON PASS DOWN WERE MORE PRIVATE NOTES ABOUT PEOPLE'S PERFORMANCE AND WHERE THEY STOOD AS FAR [*272] AS, YOU KNOW, DIFFERENT PARAMETERS, THE WAY THEY MANAGED THE BUSINESS.

Q. OKAY. THOSE WERE PERFORMANCE NOTES THAT JERRY USED – GAVE YOU TO TALK TO YOU ABOUT MRS. LEDBETTER. WHAT I WANT TO KNOW, SIR, IS WHERE ARE THOSE NOTES?

A. THOSE NOTES WERE NOT PERTINENT TO THIS EVALUATION; AND, THEREFORE, I WOULDN'T HAVE KEPT THOSE –

Q. – THEY'RE PERTINENT TO THIS LAWSUIT – I'M TRYING TO GET AN UNDERSTANDING OF WHAT ABOUT MRS. LEDBETTER'S PERFORMANCE IS SO BAD, YOU'VE THROWN – HAVE YOU THROWN AWAY THE AUDITS?

A. I HAVEN'T THROWN AWAY ANYTHING.

Q. SO THEY MIGHT BE OVER THERE AT THE PLANT RIGHT NOW?

A. I DON'T KNOW. I HAVEN'T BEEN IN THE PLANT SINCE – SINCE I LEFT THE BUSINESS CENTER.

Q. OKAY. DID YOU THROW AWAY JERRY'S NOTES?

A. JERRY'S NOTES, I WOULD NOT HAVE KEPT. NO.

Q. EVEN IF THERE WAS AN EEOC CHARGE THAT CAME SHORTLY AFTER?

A. I WASN'T AWARE OF ANY EEOC CHARGE.

Q. OKAY. BUT YOU WERE – AT THAT TIME, YOU WERE A MANAGER AT THE COMPANY; RIGHT?

A. YES, I WAS.

Q. YOU SAID YOU – WHERE – WHERE DO YOU LIVE RIGHT NOW?

A. AMERICANA, BRAZIL.

Q. YOU LIVE IN –

THE REPORTER: I'M SORRY? [*273]

THE WITNESS: AMERICANA, BRAZIL.

- Q. OH, SO YOU CAME UP HERE FROM BRAZIL TO TESTIFY.
- A. THAT'S CORRECT.
- Q. HOW OLD ARE YOU?
- A. I'M 38 YEARS OLD.
- Q. YOU SAID THE PRODUCTION NUMBERS WERE POSTED. IS IT A BIG BOARD THAT THEY'RE POSTED ON?
- A. IT WAS IN THE CONFERENCE ROOMS.
- Q. ARE ALL THOSE THROWN AWAY?
- A. I – I CAN'T ANSWER THOSE TYPES OF QUESTIONS, BECAUSE I HAVEN'T BEEN WORKING IN GADSDEN.
- Q. WHO IS –
- A. – CERTAINLY, I DIDN'T THROW THEM AWAY.
- Q. WHO'S THE AUDITOR?
- A. THE AUDITOR AT THE TIME THAT I WAS THERE WAS MIKE MAUDSLEY.
- Q. MIKE MAUDSLEY, THE AUDITOR IN THE ARF ROOM; RIGHT?
- A. THAT'S CORRECT.

Q. AND HE IS THE AUDITOR WHO DID THE EVALUATION THAT YOU USED – WHO DID HIS AUDITS AND THE SUMMARY SCORES OF THE AUDITS THAT YOU USED TO DO YOUR EVALUATIONS; RIGHT?

A. THAT'S NOT CORRECT.

Q. I THOUGHT YOU SAID YOU USED THE AUDITS TO DO YOUR EVALUATION?

A. I USED THE AUDITS TO DO A PORTION OF THE EVALUATION. [*274]

Q. WELL, DID YOU – AND YOU – ONLY SUPERVISED HER YOURSELF FOR A VERY SHORT PERIOD OF TIME?

A. THREE MONTHS, YEAH.

Q. AT THE BEGINNING OF YOUR TESTIMONY, YOU TESTIFIED ABOUT HOW THE AUDITS ARE USED TO DO THE EVALUATION, SO NOW YOU'RE ONLY SAYING YOU USED JUST A SMALL PORTION OR A BIG PORTION? HOW MUCH?

A. WOULD YOU LIKE ME TO CLARIFY THAT?

Q. I WANT TO KNOW HOW MUCH OF THE SCORECARDS THAT MR. MAUDSLEY DID THAT BECAME THE AUDITS – BECAUSE IT'S A MONTHLY SCORECARD AND IT SUMMARIZES THE YEARLY; RIGHT?

A. LET ME HELP YOU UNDERSTAND THAT. THERE WERE REALLY THREE PARTS, OKAY, TO THE PERFORMANCE REVIEW.

OKAY. THERE WAS THE PART THAT WAS THE NUMERICAL DATA. OKAY. THAT PART WAS TAKEN FROM COMPUTER REPORTS AND FROM INFORMATION THAT THE PRODUCTION SPECIALIST SUPPLIED –

Q. AND DOES THAT –

A. – WHICH WOULD HAVE BEEN FOR LILLY, WOULD HAVE BEEN VANCE HOLDERFIELD. OKAY –

Q. – DOES THAT EXIST TODAY?

A. I DON'T KNOW.

Q. WHO CREATED THAT?

A. WELL, THOSE WOULD HAVE BEEN COMPUTER-GENERATED REPORTS THAT VANCE HOLDERFIELD WOULD HAVE PUT INTO A SPREADSHEET FOR THE ARE MANAGERS AND MYSELF. [*275]

Q. AND YOU KEEP THEM, DON'T YOU?

A. YEAH, WE KEPT THEM.

Q. WHAT IF THERE'S A – YOU KNOW, THIS COMPANY IS NOT A COMPANY LIKE FIRESTONE – BUT WHAT IF THERE'S A PROBLEM LIKE FIRESTONE AND SOMETHING

HAPPENED WITH THE TIRES – YOU KEEP THOSE REPORTS, DON'T YOU? YOU'VE GOT TO –

A. THERE IS CERTAIN DATA THAT YOU KEEP FOR LONG PERIODS OF TIME. THERE'S CERTAIN DATA THAT YOU KEEP FOR SHORT PERIODS OF TIME.

Q. AND YOU DON'T KNOW WHICH –

A. AND I DON'T – YOU'D HAVE TO ASK SOMEONE ELSE.

Q. ALL RIGHT. AND THERE'S A WHOLE ANOTHER SECTION OF THE AUDIT THAT MR. MAUDSLEY – IS BASED ON WHAT MR. MAUDSLEY DOES; RIGHT?

A. THERE IS – THERE IS A PORTION OF THE DATA THAT I USED, YES, THAT MR. MAUDSLEY –

Q. CORRECT?

A. THAT'S CORRECT.

Q. IN FACT, IF YOU WOULD LOOK AT – I MEAN, I'VE SEEN A COUPLE OF SCORECARDS, AND THE SCORECARDS ARE BASICALLY THE SAME AS THE AREAS IN THE EVALUATION: WASTE, QUALITY, PRODUCTION – ALL THOSE ARE ON THE SCORECARDS, AREN'T THEY – HOUSEKEEPING?

A. UH-HUH.

- Q. CORRECT? [*276]
- A. OH, YES.
- Q. RIGHT? THAT'S A WHOLE EVALUATION.
- A. YEAH, IT'S ON IT.
- Q. ALL BASED ON THE AUDIT?
- A. NO, IT'S NOT ALL BASED ON THE AUDIT.
- Q. ALL RIGHT. IS THERE A THIRD ONE, OR IS THAT JUST YOUR OWN OBSERVATION.
- A. THAT WOULD BE CORRECT.
- Q. ALL RIGHT. NOW, THIS SAYS –
- A. AS THE MANAGER OF THE DEPARTMENT, I WOULD MAKE OBSERVATIONS LIKE, INSURES LIGHT DUTY LABOR IS USED EFFECTIVELY. IF YOU LOOK AT PERFORMANCE STANDARD NO. 2 ON THE FIRST PAGE, THAT WOULD BE ONE THAT I WOULD HAVE DISCUSSED WITH LILLY, AND SAID, YEAH, I THINK YOU UTILIZE YOUR LIGHT DUTY. THAT WOULD HAVE BEEN BASED ON MY OBSERVATION.
- Q. AND YOU WOULD BASE THAT ON THE TIME PERIOD WHEN YOU – I GUESS WHEN YOU WOULD ACTUALLY SIGN THOSE TIMECARDS? AS HER SUPERVISOR, YOU WOULD SIGN HER TIMECARDS?

- A. I GUESS – WHAT ARE YOU ASKING ME?
COULD YOU REPEAT THE QUESTION –
- Q. – YOU KNOW WHAT A TIMECARD – I’VE GOT
SOME – WE’VE GOT A – LOOKED AT SOME
DOCUMENTS AT SOME POINT IN TIME THAT
SHOWED WHEN YOU ACTUALLY DID
SUPERVISE HER, I GUESS, AND YOU SIGNED
HER TIMECARDS?
- A. YEAH. ALL THE TIMECARDS WERE HANDED
IN AND SIGNED – * * * * *

[*280]

- Q. OKAY.
- A. – THAT’S A SEPARATE CONVERSATION.
- Q. THE NEXT DOCUMENT THAT Y’ALL TALKED
ABOUT IS THIS EXHIBIT 48, AND THIS IS THE
RANKING WHICH PUTS MRS. LEDBETTER
NEXT TO THE BOTTOM AND MR. NANCE IS
UNDER HER; RIGHT?
- A. THAT’S CORRECT.
- Q. MR. NANCE MAKES A LOT MORE MONEY
THAN SHE DOES, DOESN’T HE?
- A. AT THAT TIME, YEAH, HE DID.
- Q. I MEAN, IF YOU LOOK AT THIS THING, THERE
IS – WHO ARE THE TWO LOWEST PAID
PEOPLE ON THERE?

A. IN THE AREA MANAGER CLASSIFICATION?

Q. NO, ON THE WHOLE LIST. I WANT TO JUST TELL THEM EVERYTHING. WHO ARE THE TWO LOWEST PAID PEOPLE ON THIS LIST?

A. IT WOULD BE THE SECRETARY, RETHA BURNS –

Q. WHO JUST TESTIFIED EARLIER?

A. – AND IT WOULD BE LILLY LEDBETTER, WHO WAS AN AREA MANAGER AT THE TIME.

Q. ARE THERE ANY OTHER WOMEN ON THIS LIST?

A. NO.

Q. AND THE TWO LOWEST PAID PEOPLE ON THIS LIST ARE FEMALE; RIGHT?

A. YES. * * * * *

Cross-Examination of Jerry Jones

[*308]

Q. SO, SINCE 1973, YOU HAD BEEN IN MANAGEMENT AT GOODYEAR?

A. THAT'S CORRECT.

Q. AND DURING THAT PERIOD OF TIME, HOW MANY WOMEN AREA [*309] MANAGERS

EVER WORKED UNDER YOU, OTHER THAN MRS. LEDBETTER?

A. OKAY. IT WILL TAKE A MINUTE, I'LL TRY TO – FOR THE ENTIRE PERIOD?

Q. YEAH.

A. YOU WANT BY NAME, OR JUST BEST I CAN COME UP WITH?

Q. JUST BEST YOU CAN COME UP WITH, OTHER THAN MRS. LEDBETTER.

A. OKAY.

Q. WHO, AND FOR HOW LONG?

A. OKAY. MARY LEVINSON.

Q. ALL RIGHT. HOW LONG DID – MRS. MARY LEVINSON WAS NOT AN AREA MANAGER VERY LONG, THOUGH, WAS SHE?

A. MARY LEVINSON WAS AN AREA MANAGER IN THE ARF ROOM, WHICH IS THE SAME SECTION THAT –

Q. YEAH.

A. – MRS. LEDBETTER WAS HERE. SHE CAME, AND WHEN WE WENT TO FOUR SHIFT OPERATION, WORKED THE JOB IN THE TIRE ROOM HERE. WHEN WE HAD THE FIRST LAYOFF, SHE WAS INVOLVED; WENT ON TO DANVILLE, VIRGINIA AS AN AREA

MANAGER; THEN SHE WENT TO LAWTON,
OKLAHOMA –

Q. ALL RIGHT. WELL, I'M TALKING ABOUT
WHILE SHE WAS HERE AT THIS GOODYEAR
PLANT?

A. OKAY.

Q. JUST THIS GOODYEAR PLANT?

A. OKAY. ANYWAY, SHE WAS – [*310]

Q. SO SHE WAS – SO SHE WAS AN AREA
MANAGER FOR ABOUT HOW LONG, A
MATTER OF MONTHS?

A. I REALLY DON'T KNOW. OKAY?

Q. WHO WAS THE NEXT ONE?

A. NEXT ONE WOULD BE SUE DOUGLAS, WHO
WAS A –

Q. OKAY. WHEN WAS THAT?

A. THAT WAS IN EIGHTY – EARLY '95 PERIOD.

Q. HOW LONG WAS SUE DOUGLAS AN AREA
MANAGER?

A. FROM '85 UNTIL SHE HAD CANCER AND
PASSED AWAY SOMETIME IN THE LATE
EIGHTIES.

Q. OKAY. SO –

- A. I DON'T REMEMBER WHEN THAT WAS.
- Q. – FOR A FEW YEARS? DID YOU SUPERVISE HER THAT WHOLE TIME?
- A. YES, I THINK I DID.
- Q. OKAY. WHO ELSE?
- A. OKAY –
- Q. LET ME ASK YOU THIS QUESTION: HOW MANY TIMES DID YOU SUPERVISE MORE THAN ONE WOMAN WHO WAS AN AREA MANAGER AT THE SAME TIME?
- A. IN MOST CASES, LIKE ON A SHIFT WHERE YOU'D BE MEETING WITH A CREW, THERE WAS PROBABLY NO MORE THAN ONE ON A CREW, MAYBE.

* * * * *

[*312]

- Q. AND AS PART OF YOUR H.R. TRAINING, IF YOU SAW A DISCREPANCY OF A WOMAN WORKING WITH A BUNCH OF OTHER MEN, IN HER PAY, WOULDN'T THAT TURN ON A LIGHT IN YOUR HEAD?
- A. IN LOOKING AT SALARIES, WHAT YOU LOOK AT IS – IS THE GROUP ABOVE THE MID – THE LOW POINT. IN OTHER WORDS, IF THERE'S A MINIMUM AMOUNT OF SALARY, YOU TRY TO

MAKE SURE NOBODY STAYS – GETS BELOW THAT.

BUT AS FAR AS WHERE SOMEBODY IS AT IN THE SALARY RANKING, THAT IS AN ACCUMULATION OF THEIR HISTORICAL MERITS; THEIR – THEIR HISTORY OVER THE YEARS; THAT THEIR TOTAL SALARY IS AN ACCUMULATION OF EACH YEAR.

THE FACT THAT – YOU WOULD LOOK, IF THERE'S SOMEBODY BELOW THE LOW POINT, AND SAY, HEY, I NEED TO DO SOMETHING TO KEEP THEM. BUT AS LONG AS THEY'RE IN THEIR RANGE, IT'S NOT SOMETHING YOU WOULD LOOK AT. YOU'D ALSO LOOK AT WHERE THEY WERE PERFORMING.

* * * * *

Direct Examination of Michael Tucker

[*338]

A. YOU'RE READING THAT EXACTLY RIGHT. WE WERE GIVEN AN ALLOCATION, A TOTAL ALLOCATION. AND DURING THIS PAY PERIOD OR DURING THIS POLICY PERIOD, WE WERE ABLE TO GIVE A NUMBER OF RAISES, MAINLY BECAUSE OF THE AMOUNT OF MONEY THAT I WAS BUDGETED.

Q. RIGHT. I NOTICE THAT DOWN AT THE BOTTOM IT SAYS "TOTAL ALLOCATION"

AND "TOTAL EXPENDITURES." WHAT DOES THAT MEAN?

A. THAT'S THE TOTAL AMOUNT OF MONEY THAT WE WERE GIVEN TO ALLOCATE – TO DIVVY OUT INTO RAISES.

Q. SO YOU HAD A SET BUDGET, AND THEN YOU HAD TO DECIDE HOW TO DISTRIBUTE IT –

A. THAT'S CORRECT. AND THE POLICY ALSO STATED A MAXIMUM TIME FRAME, EITHER 12 OR 18 MONTHS, BY WHICH YOU COULD ACTUALLY GIVE SOMEONE A MERIT INCREASE. AND IT ALSO OUTLINED A MAXIMUM AMOUNT, PERCENTAGE AMOUNT, THAT YOU COULD GIVE SOMEONE.

* * * * *

[*342]

A. * * * BUT DURING THIS PERIOD, I HAD \$906 THAT I HAD TO SHARE – THAT I COULD SHARE WITH THESE INDIVIDUALS. AND YOU CAN SEE MR. MILLER AND MR. THOMPSON AT THAT TIME WERE NOT ELIGIBLE FOR A RAISE. AND SO I WAS ABLE TO GIVE EVERYONE, EXCEPT THOSE TWO IN MY AREA OF RESPONSIBILITY, A MERIT INCREASE. MAINLY, ONCE AGAIN, TO TRY TO MAKE CERTAIN THAT LILLY WAS NOT AT THE BOTTOM OF THE PAY RANGE, OR UNDER THE MINIMUM.

* * * * *

Q. LET ME NOW SHOW YOU WHAT WE'VE MARKED AS DEFENDANT'S EXHIBIT 6. IS THAT A DOCUMENT THAT YOU PREPARED?

A. (LOOKING AT EXHIBIT.) YES, SIR, IT IS.

Q. THESE OTHER DOCUMENTS, THE ONES FROM THE EARLIER YEARS, I THINK MRS. LEDBETTER SAID THAT SHE FOUND THEM – FOUND ONE OF THEM IN THE TRASH CAN OR SOMETHING, AND THEN KEPT THEM ALL OVER THESE YEARS. [*343] WOULD YOU – WOULD THESE BE DOCUMENTS YOU WOULD HAVE KEPT –

A. YES, THESE ARE DOCUMENTS THAT SHOULD BE ALWAYS – THEY'RE CONFIDENTIAL DOCUMENTS, DOCUMENTS THAT ALWAYS SHOULD BE LOCKED UP. * * * *

Q. NOW, THIS IS YOUR – WHAT IS DEFENDANT'S EXHIBIT 6?

A. THIS IS THE MERIT ALLOCATION FOR RADIAL TIRE ROOM BUSINESS CENTER IN GADSDEN.

* * * * *

Cross-Examination of Michael Tucker

[*354]

Q. AND YOU KNOW THAT – SURELY YOU ARE – YOU ARE FAMILIAR WITH THE POLICIES AND PROCEDURES CONCERNING THE TOP PERFORMANCE AWARD AND THE – AND THE INDIVIDUAL PERFORMANCE AWARD?

A. YES, SIR.

Q. AND YOU KNOW THAT THAT AWARD IS SUPPOSED TO BE GIVEN FOR TOP PERFORMANCE, DON'T YOU?

A. PER THAT POLICY, IT WAS STATED IT WAS FOR TOP PERFORMANCE. YES, SIR.

Q. IN FACT, IT SAYS – AND I'M LOOKING AT PLAINTIFF'S EXHIBIT 17, WHICH WAS PREVIOUSLY ADMITTED – IT SAYS THAT "IT IS CRITICAL THAT TPA'S ONLY BE GRANTED TO THOSE INDIVIDUALS WHO HAVE DEMONSTRATED, THROUGH VALUE, ADDED CONTRIBUTIONS THAT THEY ARE, IN FACT, THE TOP PERFORMERS IN THE COMPANY."

YOU KNEW IT SAID THAT, DIDN'T YOU?

A. THAT'S WHAT THE POLICY SAYS.

Q. FOR – AND ALSO SAYS "FOR THE TOP PERFORMANCE AWARD FOR ONLY THE HIGHEST LEVEL OF INDIVIDUAL PERFORMANCE AND CONTRIBUTION IN AN

ORGANIZATION”; THAT’S – YOU KNEW THAT WAS WHAT IT SAID?

- A. YES, SIR.
- Q. AND IF YOU LOOK AT PLAINTIFF’S EXHIBIT NUMBER 16, WHICH [*355] IS THE SALARY COMPENSATION PROGRAM, DID YOU KNOW THAT IT ALSO SAID FOR TOP PERFORMERS, “THOSE WHO CONSISTENTLY EXCEED ALL PERFORMANCE STANDARDS OF THEIR JOB RESPONSIBILITIES”? ON PAGE 10, YOU SEE THAT?
- A. (LOOKING AT EXHIBIT.) YES, SIR.
- Q. SO THE AWARD THAT YOU GAVE HER, BASED UPON THE COMPANY RULES AND REGULATIONS, WAS ONLY SUPPOSED TO BE GIVEN TO THOSE – IT WAS CRITICAL THAT IT ONLY BE GIVEN TO THOSE WHO WERE THE VERY BEST IN PERFORMANCE; CORRECT?
- A. PER THE POLICY. YES, SIR.
- Q. AND, IN FACT, WHEN YOU GAVE THE AWARD TO MRS. LEDBETTER, YOU TOLD HER, DIDN’T YOU, THAT THE REASON SHE WAS GETTING SUCH A BIG INCREASE, 7.85 PERCENT, WAS BECAUSE SHE WAS BEING AWARDED THE TOP PERFORMANCE AWARD AND THE INDIVIDUAL PERFORMANCE AWARDS, DIDN’T YOU?
- A. SIR, I DON’T RECALL TELLING HER THAT. NO.

Q. WELL, WHAT DID YOU TELL HER? IF YOU DON'T REMEMBER TELLING HER THAT, WHAT DID YOU TELL HER WAS THE REASON WHY YOU WERE GIVING HER A 7.85 PERCENT RAISE –

A. ONCE AGAIN, WE GO BACK TO LILLY'S SALARY RANGE, AND I WAS DOING EVERYTHING THAT I COULD TO MOVE HER SALARY UP.

AND AT THAT TIME, THE ONLY – DURING THAT PERIOD, THE ONLY WAY THAT I COULD GIVE HER A 7.85 PERCENT MERIT INCREASE WAS TO GIVE HER THE TOP PERFORMANCE AWARD.

Q. BUT WHAT DID YOU TELL HER? THAT'S NOT WHAT YOU TOLD HER, [*356] IS IT?

A. SIR, IN 1994, I CAN'T SIT HERE AND TELL YOU EXACTLY WHAT I DID TELL HER. BUT –

Q. DO YOU REMEMBER WHEN YOUR DEPOSITION WAS TAKEN?

A. YES, SIR.

Q. LOOK WITH ME, IF YOU WOULD, AT PAGE 177.

A. (LOOKING AT DEPOSITION.)

Q. AND WE'RE GOING TO BEGIN AT LINE 177, AND MR. GOLDFARB ASKS YOU THIS QUESTION BEGINNING AT LINE 7:

“WHEN YOU GAVE MRS. LEDBETTER THE 8 PERCENT RAISE, IT WAS IN DECEMBER OF 1995, DID YOU TELL HER THE REASON SHE WAS GETTING AN 8 PERCENT RAISE?”

READ YOUR ANSWER, PLEASE.

A. SAYS: “I CAN’T RECALL EXACTLY WHAT I SAID TO LILLY. I DON’T THINK THAT – I DON’T THINK – I’M ALMOST SURE THAT I DIDN’T TELL HER THAT SHE WAS RECEIVING A MERIT INCREASE BECAUSE OF WHAT HER SALARY WAS.”

Q. “YOU TOLD HER IT WAS BASED ON HER JOB PERFORMANCE?”

WHAT WAS YOUR ANSWER?

A. “BASED ON HER JOB PERFORMANCE.”

* * * * *

[*358]

Q. OKAY. FOR 2 AND 3, WHEN YOU LOOK AT THEM, IT’S CLEAR AS A BELL THAT SHE IS WAY LOWER THAN ALL THOSE OTHER MEN ON THE LIST, ISN’T SHE?

A. LILLY’S RATE WAS LESS THAN THE OTHER PEOPLE DOWN THERE.

Q. IN FACT, THERE’S NOT A MAN ON THERE THAT IS EVEN CLOSE TO THE LOW RANGE OF 2967, IS THERE?

A. ON THIS DOCUMENT, NO, SIR.

Q. IN FACT, EXCEPT FOR MR. BICE, WHO MADE 3995 IN '94, EVERYBODY ELSE MAKES 4400 OR MORE – IS THAT A MONTH OR IS THAT BIWEEKLY?

A. THAT'S A MONTHLY SALARY.

Q. A MONTH?

A. MR. THOMPSON MAKES 4320. [*359]

Q. MRS. LEDBETTER MAKES 3288, DOESN'T SHE?

A. ACCORDING TO THIS DOCUMENT, YES, SIR.

THE COURT: AND YOU HAVE NO REASON TO DOUBT THE DOCUMENT?

THE WITNESS: SIR?

THE COURT: YOU HAVE NO REASON TO DOUBT THE DOCUMENT?

THE WITNESS: NO, SIR.

BY MR. QUINN:

Q. AND – AND IT BECAME OBVIOUS TO YOU HOW LOW HER SALARY WAS, DIDN'T IT?

A. PER THE MINIMUM RANGE, HER SALARY WAS LOW.

- Q. AND DIDN'T IT ALSO BECOME OBVIOUS TO YOU WHEN YOU COMPARED HER SALARY TO EVERYBODY ELSE'S ON THIS LIST, WHO JUST HAPPENED TO BE MEN, THAT IT WAS WAY LOWER THAN THEIRS?
- A. THEIR SALARIES DIDN'T COME INTO – INTO IT AT ALL. I WAS REFERRING – I MEAN, IT WAS ALWAYS GOING BACK TO LILLY'S SALARY, NOT ANYONE ELSE'S SALARY.
- Q. ALL RIGHT. THEN LET ME ASK YOU THIS: IF IT DIDN'T HAVE ANYTHING TO DO WITH THE MEN'S SALARY, BUT IT HAD TO DO WITH STRICTLY THE FACT THAT SHE WAS BELOW THE MINIMUM, WHY DID YOU LIE TO HER AND TELL HER IT WAS BECAUSE OF HER PERFORMANCE? WHY DIDN'T YOU JUST TELL HER, IT'S BECAUSE YOU'RE BELOW THE MINIMUM?
- A. I – I CAN'T RECALL. YOU KNOW, I – MAYBE I DID AND [*360] MAYBE I DIDN'T. I CAN'T RECALL WHAT I TOLD MRS. LEDBETTER, BUT YOU HAVE MY DEPOSITION.
- Q. ISN'T IT BECAUSE YOU REALIZED, BUT YOU JUST CAN'T ADMIT IT BECAUSE YOU STILL WORK AT THE COMPANY, THAT THIS LADY WAS NEVER PAID LIKE THE MEN –
- A. NO, SIR.
- Q. – AND YOU DIDN'T THINK IT WAS RIGHT?
- A. NO, SIR.

Q. BUT YOU COULDN'T TELL HER THAT; AND THE REASON YOU COULDN'T TELL HER THAT IS BECAUSE YOU'D BE ADMITTING IT, AND THE COMPANY THAT YOU WORK FOR WOULD –

A. SIR, I CAN'T HEAR WHAT YOU SAID.

Q. – I SAID, AND YOU DIDN'T ADMIT IT BECAUSE YOU KNEW IF YOU DID AND TOLD HER THE REAL REASON, THAT YOU'D BE ADMITTING THAT GOODYEAR HAD NOT BEEN PAYING THIS WOMAN WHAT SHE DESERVED?

A. NO, SIR. THAT'S NOT CORRECT.

THE COURT: WELL, ARE YOU SAYING THAT SHE WAS BEING PAID WHAT SHE DESERVED?

THE WITNESS: SIR, SHE – WITH HER JOB RATE, THERE'S A MINIMUM AND A MAXIMUM. OKAY. IT'S MY RESPONSIBILITY TO KEEP ANYONE THAT'S WORKING IN MY AREA OF RESPONSIBILITY ABOVE THE MINIMUM. AND THAT WAS WHAT I WAS DOING. AND I –

THE COURT: SO SHE WAS BEING PAID BELOW THE MINIMUM?

THE WITNESS: AT ONE TIME. YES, Sir. [*361]

THE COURT: AND BECAUSE SHE WAS BEING PAID BELOW THE MINIMUM, YOU RAISED HER SALARY?

THE WITNESS: YES, SIR.

BY MR. QUINN:

Q. BUT YOU DIDN'T TELL HER THAT; INSTEAD, YOU TOLD HER IT WAS BECAUSE OF HER PERFORMANCE?

A. NO, SIR. I – I –

Q. THAT'S WHAT YOU TOLD HER? YOU DIDN'T TELL HER IT WAS BECAUSE SHE WAS BELOW MINIMUM, YOU TOLD HER IT WAS BECAUSE OF HER PERFORMANCE, DIDN'T YOU?

A. WELL, MERIT INCREASES WAS REALLY, AT THAT TIME, THE ONLY WAY THAT I WAS AWARE OF THAT WE COULD RAISE SALARIES. AND IT WASN'T COMMON KNOWLEDGE TO SHARE MINIMUM AND MAXIMUM SALARIES AT THAT TIME.

Q. AND NOW, CONVENIENTLY, WE DON'T KNOW WHERE THE '95 SALARIED EMPLOYEE SHEET IS THAT SHOWS WHERE YOU GAVE HER THAT 7.85 PERCENT, WHICH WOULD ALSO SHOW WHERE SHE RANKED IN HER PERFORMANCE GROUP; WE DON'T HAVE THAT DOCUMENT, DO WE?

A. THAT DOCUMENT HASN'T – THAT DOCUMENT HASN'T BEEN PROVIDED TO ME.

Q. DO YOU KNOW WHERE IT IS?

A. NO, SIR.

AND SHE MUST PROVE THAT EACH CLAIM AROSE WITHIN SIX MONTHS OF HER FILING A CHARGE OF DISCRIMINATION WITH THE EEOC, OR HER COMPLETION AND SUBMISSION TO THE EEOC OF A QUESTIONNAIRE RELATING TO THE CLAIM.

[*459]

AN EMPLOYER SUCH AS GOODYEAR IS REQUIRED, AFTER AN EEOC CHARGE IS FILED AGAINST IT, TO PRESERVE ALL EXISTING PERSONNEL RECORDS RELATED TO THE CHARGE UNTIL THE CHARGE HAS BEEN DISPOSED OF. IF AN EMPLOYER DESTROYS PERSONNEL RECORDS RELEVANT TO THE CHARGE, THEN YOU MAY INFER THAT IF THE PERSONNEL RECORDS HAD BEEN PRESERVED THEY WOULD HAVE BEEN BENEFICIAL TO THE PLAINTIFF AND NOT HELPFUL TO THE DEFENDANT. IN THE ABSENCE OF AN EEOC CHARGE, AN EMPLOYER IS REQUIRED TO PRESERVE THE PERSONNEL RECORDS FOR A YEAR.

PLAINTIFF'S THIRD CLAIM IS THAT AS AN AREA MANAGER, SHE WAS PAID A LOWER SALARY BY THE DEFENDANT BECAUSE OF HER SEX. AGAIN, IT IS UNLAWFUL UNDER TITLE VII FOR AN EMPLOYER TO

DISCRIMINATE ON THE BASIS OF SEX IN THE PAYMENT OF SALARIES TO ITS EMPLOYEES.

IN ORDER TO PREVAIL ON THIS DISPARATE SALARY CLAIM, THE PLAINTIFF MUST PROVE THAT EACH OF THE FOLLOWING TWO FACTS IS MORE LIKELY SO THAN NOT:

FIRST: THAT WHILE PERFORMING THE SAME WORK AS SIMILARLY SITUATED MEN, SHE WAS PAID A LOWER SALARY;

SECONDLY: THAT HER SEX MADE A DIFFERENCE IN GOODYEAR'S DECISION TO PAY HER A LOWER SALARY THAN SIMILARLY SITUATED MALE EMPLOYEES.

* * * * *

[*462]

YOU SHOULD CONSIDER ANY LOST WAGES AND FRINGE BENEFITS WHICH THE PLAINTIFF SUFFERED, BEGINNING SIX MONTHS FROM THE DAY THAT SHE FILED HER EEOC QUESTIONNAIRE AND CONTINUING UP TO TODAY – IF YOU FIND THAT PLAINTIFF'S EMPLOYMENT WOULD HAVE CONTINUED UP TO TODAY.

HOWEVER, IF YOU FIND THAT EVEN HAD THERE BEEN NO DISCRIMINATION OR RETALIATION, PLAINTIFF WOULD NOT HAVE CONTINUED TO WORK UP TO THE PRESENT DATE, YOU WOULD THEN DETERMINE THE DATE ON WHICH PLAINTIFF'S EMPLOYMENT

WOULD LAWFULLY HAVE COME TO AN END.
AND THEN AWARD DAMAGES UP TO THAT
DATE.

IN ADDITION TO BACK PAY AND LOST
WAGES, YOU MAY ALSO AWARD
COMPENSATORY DAMAGES FOR MENTAL
ANGUISH ARISING OUT OF SEXUAL
DISCRIMINATION OR RETALIATION. THESE
KINDS OF DAMAGES – DAMAGES FOR
EMOTIONAL DISTURBANCE, MENTAL
ANGUISH – ARE NOT RESTRICTED TO
ACTUAL LOSS OF TIME OR MONEY; THEY
COVER BOTH THE MENTAL AND PHYSICAL
ASPECTS OF INJURY – TANGIBLE AND
INTANGIBLE. NO EVIDENCE OF THE VALUE
OF SUCH THINGS AS EMOTIONAL OR
MENTAL ANGUISH HAS BEEN OR NEED BE
INTRODUCED. IN THAT RESPECT IT IS NOT
VALUE THAT YOU ARE TRYING TO
DETERMINE, BUT AN AMOUNT THAT WILL
FAIRLY AND REASONABLY COMPENSATE
FOR THE LOSSES THE PLAINTIFF HAS
SUFFERED. THERE'S NO EXACT OR
MATHEMATICAL STANDARD TO BE APPLIED;
BUT ANY AWARD FOR MENTAL ANGUISH
MUST BE FAIR AND JUST IN LIGHT OF
EVIDENCE.

THE PARTICULARS ARE:

- I. On May 14, 1982, I was demoted from my position in process control and transferred to a job in quality control. I have been employed since February 5, 1979. The employer has more than 15 employees.
- II. Jerry Jones, personnel, and Chuck Fritz, division superintendent, told me I was being transferred because

I could not stay in process control after I had complained about being sexually harassed by my supervisor. They also stated that I was not performing up to standard after I complained of sexual harassment.

- III. I believe I have been discriminated against because of my sex, female, inasmuch as:
1. Effective in February 1982, I received a merit increase in my salary because according to Mr. Fritz I was doing a good job.
 2. Although the employer is not classifying my transfer as a demotion, I am performing less desirable tasks and I am not fully qualified for the jobs in quality control because I have not been trained. Also, I am no longer classified as a supervisor.
 3. I reported to Mr. Jones and Mr. Fritz that my immediate supervisor, Lother Yarbrough, who is classified as a uniformity specialist was sexually harassing me by making sexual propositions, touching my body, constantly talking to me in explicit sexual terms, and threatening that he will have my job if I do not submit to his demands.
 4. Mr. Jones and Mr. Fritz told me they would conduct an investigation. They indicated that Mr. Yarbrough admitted to them that he had done those things of which I had accused him, except touching by breasts. They told me that Mr. Yarbrough would remain on his job but I would be transferred.
 5. It should be noted that Mr. Yarbrough has the reputation of being a womanizer.
 6. I have not received the same training as men in a number of positions, including supervisor in Dept. 555 and Dept. 541, process control and most currently, in quality control.
- IV. Females as a class have been victimized by sexual harassment on the job at Respondent's Gadsden plant.

would meet him at the Ramada Inn. I asked how he could justify the low rating based on my job performance and he said it was more important that my bosses like me. During this period of time, I was supervising nineteen (19) people.

6. I transferred to Process Control on July 1, 1981. My supervisor was Lothar Yarbrough. Lothar Yarbrough constantly told me intimate details regarding his sex life. In August he told me that Goodyear people were saying how I would be his next woman. In December he started telling me I would have to love him because his woman threw him out. I did nothing to encourage this behavior and did not welcome this behavior at all. I told this to Mr. Yarbrough. I also told him I was not qualified to help him with his own personal problems. Starting in January, 1982, Mr. Yarbrough seemed obsessed with his requests and propositions for me to go to bed and have sex with him. He said we would be a great pair. When I refused him, he told me my job with Goodyear depended on him and he could get my job if I did not please him. He said if I would do all the things he wanted me to do, then I would have an opportunity for advancement. Otherwise, my job was in jeopardy.

Mr. Yarbrough regularly propositioned me to go to his house and go to bed with him so that we could forget our problems. He would tell me to hold my shoulders back so my "boobs" would stand out. He told me on one occasion that I did not appear to have on a bra. He regularly said how he could see every curve of my body through my clothes.

On May 10, 1982, while testing tires, Mr. Yarbrough kept putting his hands on me. He rubbed his hands up and down and around on my back and touched my breasts. I quickly moved away from him. Then he said, "now that you have got me worked up what are you going to do about it?"

I told Mr. Yarbrough that I would do nothing about it. He reacted by overloading me with work and refused to provide me with assistance. When I complained about my

work load, Mr. Yarbrough told me that I had not pleased my boss and that he was going to have my job.

7. When I was transferred to Department 541 and later to Department 555, I received no training whatsoever.

8. The supervisor training which was available after I transferred to Process Control was not made available to me. I had asked whether I could secure this training, but I was told that I would not need the training.

9. In January, 1982, Goodyear scheduled statistic classes for employees and I was not included in these classes.

10. In March, 1982, I was not permitted to attend an E.E.O.C. seminar for supervisors.

11. In May, 1982, I complained about the fact that I had not received the degree of training and education that males had received from the Company. Mr. Bullock told me that Goodyear did not care if I had any further training or education.

**PAY FOR PERFORMANCE
GOODYEAR
Salary Compensation Program**

INTRODUCTION

As Goodyear continues to unfold its competitive strategy in the marketplaces of the world, the management of all resources will play a growing and vital role in our company's future. The most crucial resource is our team of Goodyear associates. It is increasingly important that we not only hire the best people, but that we make absolutely certain our associates are compensated fairly in return for the contributions they make toward our success.

Goodyear recognizes that associates would like to know more about their salaries, how they are determined, how their performance is rewarded, and how pay increases are planned and administered. This booklet is intended to share with you, in general terms, guidelines which have been provided annually for managers to assist them in performance appraisals and salary compensation programs. We encourage our associates to get answers not found in this booklet from their managers or Personnel Departments.

Reaching our corporate objectives requires a team effort from all our associates. It is management's objective to assure that the proper tools, training and incentives are in place so that associates have the opportunity to perform at their best, and are properly and competitively rewarded for their contributions.

This booklet conveys how highly Goodyear values performance and strives to make the best use of its payroll dollars to recognize and reward our salaried associates.

P2

SALARY COMPENSATION PROGRAM

As a salaried associate of Goodyear, you likely have a natural curiosity about your salary and the policies that determine how Goodyear salary ranges are established for various jobs. Since salaries represent one of our largest expenditures, we want to be sure that we spend our salary dollars effectively. That means paying salaries which help us attract, retain, and motivate

deserving associates. Goodyear's salary compensation program is designed to accomplish these goals. We believe that our salaried associates should understand salary compensation policies and how they work. We have prepared this booklet to explain the basic elements of our salary program. The following pages will give you a better understanding of the process we use to accomplish our salary compensation objectives and manage our salary dollars.

GOALS OF THE SALARY PROGRAM

Your salary probably ranks high on the list of things that are most important to you and you want to know that you're paid fairly for the work you do. Your salary is just as important to the Company as it is to you. We spend a lot of time and effort testing the fairness of our salaries, and making sure they are competitive with others in the job marketplace. For Goodyear to achieve its compensation objectives, our program must pay salaries that:

- are fair and equitable within the Company (internal equity)
- are competitive in the marketplace (external competitiveness)
- reward individuals on the basis of their performance (pay for performance)

P3

WHAT DO THESE OBJECTIVE MEAN?

Internal Equity – The value of a job within the company depends on numerous factors, among which are technical knowledge required, the complexity of the work and the decision-making authority involved. The more difficult or demanding the job is, the higher its pay level should be. Pay levels for jobs reflect the relative value of the jobs within the Company.

External Competitiveness – Through salary surveys, we compare our salaries to those paid by other companies for

similar positions. We want to be sure that our salaries attract and retain the best talent.

Pay for Performance – Once we establish a salary structure that's internally equitable and externally competitive, your performance on the job is a major factor in determining your pay within the salary range.

P4

HOW OUR SALARY PROGRAM WORKS

Listed below are the main elements of Goodyear's Salary Compensation Program:

1. **POSITION DESCRIPTION** – outlines and describes in broad terms the content of your job.
2. **EXEMPT or NON EXEMPT?** – analysis to determine whether a job will be classified as exempt or non exempt.
3. **POSITION EVALUATION** – determines the relative value of the position and defines the value in terms of Hay points or job levels.
4. **SALARY RANGES** – conversion of Hay points or job levels into specified salary ranges.
5. **PERFORMANCE APPRAISAL** – provides an opportunity for you and your manager to assess your performance on designated elements of your job.
6. **MERIT INCREASE GUIDELINES** – assist management in administering the merit budget allocation.
7. **PROMOTIONAL INCREASE POLICY** – outlines the requirements of a promotion, and how the position change may affect your salary.

P5

The following pages will expound upon each of these elements, then conclude with comments on the selection of associates for job changes.

P6

POSITION DESCRIPTIONS

Accurate and thorough position descriptions are the primary sources of information for performing position evaluations. Position descriptions outline the major functions and responsibilities, as well as the problems and challenges in the job. They are used primarily in position evaluation, position comparisons, and performance appraisals for comparing your accomplishments to your responsibilities.

The description provides you and your manager with the basic content of job functions identifying major responsibilities and reporting relationships. It is each manager's / department's responsibility to ensure that position descriptions are reviewed regularly and reflect current and accurate information. If your job responsibilities have changed significantly since the description was written, bring the changes to your manager's attention. After any new, revised, or updated position has been approved by the department / division management, it should be forwarded to the Salaried Compensation Department for review to determine the appropriate Hay point rating or job level.

EXEMPT OR NON EXEMPT?

Once a position description is received by the Salaried Compensation Department, a determination is made on whether a job is exempt or not exempt from the provisions of the Fair Labor Standards Act of 1938. This Act, commonly called the "Wage and Hour Law", covers many topics such as minimum wage, employment standards for minors, and overtime regulations.

Whether or not a job is exempt from the provisions of this Act depends on several factors, such as work responsibilities and education or training necessary to perform the job. Also, various guidelines and tests

established by the Act help determine if a position meets the criteria for exempt status.

P7

POSITION EVALUATION

The term “position evaluation” refers to the method we use to establish the relationship between positions. This is done by comparing one position to others within Goodyear as well as considering its contribution to the achievement of Company objectives. The evaluation focuses entirely on the position, NOT on the performance of the individual in that position.

EXEMPT POSITIONS are evaluated under the professionally developed process called the Hay Job Evaluation System. Using the Hay System we determine a point value for each position in terms of three main factors – Know-How, Problem Solving and Accountability.

- **KNOW-HOW** measures the skills, education, and experience necessary to perform a particular job. The evaluation considers the specialized, technical, or practical knowledge required by the job along with an assessment of managerial and human relation skills.
- **PROBLEM SOLVING** measures the degree to which “know-how” is used to identify, define and solve job related problems. The creativity, overall complexity, and the type of thinking challenge needed in performing the job are assessed.
- **ACCOUNTABILITY** measures the amount of personal and [P8] procedural control to which the position is held responsible. The assessment of accountability is based upon the freedom to act and implement decisions, impact of the job on end results, and the size of the area (expressed in dollars) most clearly affected by the job.

Each position is analyzed using these components, and Hay points are assigned for Know-How, Problem Solving, and Accountability based on the relative value of this position to other positions within the Company.

When the position evaluation is completed, the points for each of the factors are added together to get a total point value for the position. From time to time, Goodyear point totals are correlated with similar position in other companies evaluated under the Hay System to help insure evaluation correctness.

Once established, the point total is multiplied by a formula that establishes a salary range for the position. Salary ranges are also compared to market pay data and national surveys to validate the competitiveness of our salary ranges.

NON EXEMPT POSITIONS are evaluated by comparing each job to similar positions outside Goodyear and other positions within the Company. Incorporating both factors, external competitiveness and internal equity, we determine a fair value for the job. Once these comparisons have been made a job level (often called a “pay grade”) and salary range is assigned.

P9

SALARY RANGES

After the job evaluation process, each exempt and non exempt position is assigned salary range. A salary range consists of a minimum, midpoint, and maximum dollar value. Salary range midpoints are designed around an average market salary which reflects the current prevailing value of the position in the marketplace. Salary ranges are calculated so that the range maximum is 50% greater than the range minimum. This range spread is established to allow for differences in pay that recognize individual differences in qualifications, experience, and performance.

We make sure Goodyear salary ranges remain competitive by participating in surveys which tell us what other companies are paying for positions similar to those in our Company. Each year a review is made to determine whether all ranges are in need of adjustment to stay competitive in the marketplace.

[PP10-11 MISSING]

P12

MERIT INCREASE

Like other major expenditures in a well-managed business, merit increases are controlled by an approved budget. We refer to such a budget as a “merit budget” because it establishes the amount of merit funds to be available each year for merit increases. Recommendations concerning the size of Goodyear’s merit budget are generally made around the end of each year for the following year. Although many factors are considered, some of the most important considerations are:

- the current level of each position’s salary in relation to pay practices of other companies on a local and national basis,
- projections for the coming year regarding merit budget activity of other major companies on a national basis,
- economic conditions in general,
- and Goodyear’s business objectives, profitability and ability to afford a merit budget in a given year.

Each department/division is allocated a portion of the total merit budget approved for the year. This allocation is derived from the amount of the department’s/division’s total base salary.

Every year managers responsible for administering departmental or divisional merit programs are provided with approved merit increase guidelines. These guidelines establish the minimum and maximum increase percentage which may be granted, the minimum time interval between increases, and other such details.

P13

In determining how much of a merit increase you will receive, and how frequently you receive it, your manager will make into consideration factors such as:

- your job performance
- where your salary stands within the range
- amount and timing of your last merit or promotional increase
- amount of available merit increase funds

P14

PROMOTIONS

A job change is considered a promotion when *both* the nature of the job and the level of the job meet these qualifications:

- Nature of the job changes–

This means an associate transfers to a new position which entails noticeable differences in job content and increased responsibility. A movement through a salary classification having a series of levels (eg: Accountant I, Accountant II, Accountant Senior, or Engineer, Staff Engineer, Senior Engineer) is not considered a promotion.

- Job level changes–

EXEMPT ASSOCIATES: the new position must be ten percent or higher in Hay points than the present position to be considered a promotion.

NON EXEMPT ASSOCIATES: the new position must be two or more salary job levels higher than the present position to be considered a promotion.

There are occasions when a transfer, which may not represent an official promotion according to the guidelines above, can enhance an associates' [sic] personal growth and development. As a result, the transfer may improve future opportunities for advancement.

When promoted under the current policy, you may be granted an increase of up to 15 percent of your base salary if the proposed salary falls below the salary range midpoint of the new position; or up to 10 percent if the proposed salary falls above the new salary range midpoint.

P15

ASSOCIATE SELECTION

Selecting associates for transfer or promotion begins by identifying candidates that possess the critical skills, experience and knowledge necessary to perform the position's responsibilities.

The process of identifying candidates for a job opening involves utilization of various resources depending on the opening, available candidates, and location of the opening.

Goodyear encourages associates to participate in the **SKILLS BANK** and use the **JOB AWARENESS SYSTEM** tools. These tools are designed to assist in identifying candidates who might not have been otherwise considered for a new opportunity.

Goodyear accepts its obligation to identify and include qualified protected group members as candidates for promotional opportunities.

Final selection is based upon the candidate's qualifications, performance, experience, education, interest, attendance and the interview process.

P16

SUMMARY

The material presented in this booklet is designed to answer most general questions about Goodyear's salary compensation program. If, after reading its contents, you have any questions, you are encouraged to discuss them with your department manager.

As the company faces the future of global competition it is imperative that staffing levels be maintained that optimize productivity and cost effectiveness. Quality of performance, which is often an individual choice, is essential both for the associate and Goodyear.

Our salary compensation program gives YOU the opportunity for higher earnings. The degree to which you take advantage of this opportunity depends on your daily performance on the job. Your greatest salary opportunities come from you . . . pay for your performance.

Goodyear wants to give each associate the opportunity to make use of his or her talents—the right person in the right job, paid accordingly. This will help assure continued growth of Goodyear, thereby opening new avenues for individual advancement and the opportunity for high earnings.

Our salary compensation programs provide flexibility for our managers in recognizing and rewarding individual performance. These guidelines are an advisory tool for managers and have never been intended to be a binding contract. They are subject to revision at any time as circumstances warrant.

Vice President

January 8, 1996

To: All Managers Who Administer Salary Increase Budgets
Subject: **Salary Compensation Guidelines for Calendar Year 1996**

In January of last year, we announced the 1995 Corporate Compensation Plan for salaried associates. This plan was significantly different than previous years' compensation plans.

The components of the 1995 compensation system were designed to: 1.) encourage and recognize significant levels of individual performance through Individual and Top Performance Awards and 2.) Provide all associates an opportunity to share in the financial results of the company through the Associates Performance Plan. These components were implemented to help achieve levels of performance necessary for our future success as a global company and to more directly align total compensation with business objectives and results.

As part of the compensation system implementation process, these new pay components were evaluated and measured during the year to ensure fairness and that design objectives were being met. In this ongoing analysis process, it was determined that program objectives were met and that these new components should be carried into 1996.

Details of the 1996 Corporate Compensation Plan are outlined in the attached letter. In summary, the 1996 Plan contains:

- 1.) Individual Performance Awards
- 2.) Top Performance Awards
- 3.) the Associate Performance Plan

Critical to the success of the 1996 Compensation Plan are quality performance appraisals. These are critical to help managers determine eligibility for various performance awards but also to

provide a basis for discussion with associates on how individuals can increase performance levels.

Your cooperation was essential to the successful implementation of the 1995 Plan. Your future support will help assure continued success in 1996.

I. DEVELOPMENTAL PROGRAM PROVISIONS

The Developmental Increase program that was implemented in 1994 for exempt associates will continue into 1996. This program was implemented to help:

- Recognize and reward associates that accept career development job assignments that are not promotions and are significant moves that cross business, product, function, division, or developmental lines.
- Create and promote a more flexible work environment intended to enhance associate value, skills and competencies.

A. Defining Developmental Moves

Not all lateral or downward moves are considered as career development moves. To be considered as a career development move and eligible for a Developmental Increase, a position change:

- Must be part of an individual's long term career development/succession plan that has been approved by the Vice President Human Resources Planning, Development and Organization and the principal officer of the requesting division.
- There must be a significant change in an associate's function, department, division or location that encompasses acquiring a new set of skills or competencies that emphasizes diversity of functions outside an associate's existing level/area. A physical change must also take place.

B. Developmental Increase Guideline

Associates approved for a developmental assignment may receive a Developmental Increase of up to 10% of base salary (or lump sum). Granting the increase would start a new interval towards performance award eligibility. Factors taken into consideration in recommending the amount of a Developmental Increase would be position in the new salary range,

performance, salary of peers, length of time to be on the developmental assignment and closeness to the individual's last increase.

Individual G565s requesting consideration for this program must be coded as DI (Developmental Increase) and processed through the office of the VP Human Resources Planning, Development and Organization. A letter of justification must be included with the proposed increase stating the associate's long term career path and an explanation as to how the developmental assignment fits within the identified career structure. The letter and G565 must be approved by the principal officer of the division. Commitments to associates should not be made until the proposed increase receives final approval by the division officer and Vice President Human Resources Planning, Development and Organization.

II. PERFORMANCE AWARD PROVISIONS

For 1996, the performance award systems introduced in 1995 will be continued. These two systems are the:

- 1) Individual Performance Award (IPA)
 - For competent and above average performers

and

- 2) Top Performance Award (TPA)
 - For only the highest level of individual performance and contribution in an organization. Limited to not more than 30% of the number of salaried associates in an organization.

Each current merit budget manager will receive a 1.7% allocation for Individual Performance Awards. Function/Business Unit Leaders will receive a separate 0.8% allocation for Top Performance Awards. Details of these performance award systems follow.

A. Individual Performance Award Policy

As outlined in various communications, the Individual Performance Award (IPA) is one of the first steps in moving from our traditional merit programs of the past.

IPAs are intended to be granted only to the good competent and above average performer/contributor. Based on allocations and performance criteria, not all associates will receive a performance award during the year. Managers will be faced with very difficult decision in using the IPA as it was intended. It is not intended as a general increase, cost of living or longevity based pay system.

Demonstrated performance/contribution is the key in consideration for an IPA. In using the IPA, there are several guidelines that should be followed. These apply to exempt and non-exempt associates equally.

- 1) An allocation of Individual performance Award funds will be made along the same lines of our previous merit allocations. Old Merit Budget numbers will be retained but they will be called Individual Performance Award Allocations. A 1.7% allocation will be established in 1996 for Individual performance Awards (1.7% of 12/31/95 base salaries). Allocations will be released in late January or early February-increases may be retroactive to January 1, 1996.
- 2) The maximum amount of IPA will be 5.0% and can be granted as a base salary adjustment, lump sum (calculated on annual base salary) or a combination of both not to exceed 5.0%. Base salaries cannot increase above salary range maximums. Proposed increases should be coded on G-565s as IP (Individual Performance Award) or PI (Individual Performance Award Lump Sum).
- 3) The average amount of increase for any group of associates receiving IPAs must be greater than the IPA allocation percent. As an example, if the IPA allocation is 1.7% of salaries, IPAs granted must average more than 1.7%.
- 4) The minimum time interval from the last increase (developmental, promotional or performance) is 12 months. The average interval for any group (department, division, plan) receiving IPAs must be greater than 12 months. For exempt associates, this average must not be

less than 14 months and non-exempt associates must average not less than 16 months. This excludes top performers.

- 5) A plan for IPA consideration should be made for each associate and approved in January. This plan should be followed through the year. The process is the same as required under the former merit system.
- 6) The primary factor in determining eligibility and amount of award is performance and contribution to the organization. Higher levels of performance and contribution should be recognized by greater and more frequent IPAs.
- 7) IPAs may be granted within these general guidelines but not to exceed them. Allocations for Individual Performance Budgets may not be exceeded. Funds not utilized by 12/31/96 will be cancelled.

Individual Performance Award Summary

Allocation: 1.7%

Eligibility: Salaried Associates (Exempt and Non-exempt) – competent and above average performance.

- Individual Performance Awards of up to 5.0% of base salary (regular) or annual salary (lump sum) or a combination not to exceed 5.0% may be granted.
- Minimum interval from last increase (developmental, promotional or performance)-12 months. Average interval of those receiving IPAs (Excluding Top Performers): Exempt-not less than 14 months, Non-exempt-not less than 16 months.
- Average amount of increase of those receiving an IPA **must be greater than 1.7%.**
- Salaries-cannot exceed salary range maximum.
- Not intended for longevity or cost of living considerations.
- allocation based on 12.31.95 salaries.

B. Top Performance Award Policy

In structuring the performance award system, a second type of performance award called a Top Performance Award (TPA) may also be granted.

It is critical that TPAs only be granted to those individuals who have demonstrated through value added contributions, that they are in fact the top performers in the company.

It has been established that only up to 30% of the total number of associates in a function, department, business unit or division be considered as eligible for a TPA. This means that 30% is the maximum number of associates in your area that can receive an award and less than 30% is acceptable and in some cases a desirable number.

Function/Business Unit leaders will receive a 0.8% TPA allocation calculated on the base salaries (as of 12/31/95) of associates under the Function//Business Unit. It is up to the Leader to manage the allocation and properly distribute it within the intent of this program.

It is suggested that the process of nominating associates to be considered for TPAs start at as low a level as practical (Dept Manager, Plant Manager, Director). Each function/Business Unit Leader should review TPA candidates and make final determinations based on performance evaluations, performance rankings, succession planning and other such criteria that relates to performance/contributions.

Based on funding available, not all nominated for a TPA will be able to receive a maximum amount. In cases where proper planning is not done, allocations will be depleted without adequately recognizing top performers.

The Top Performance Award system has been structured so that the first TPA granted in any year must be combined with an equal amount from the Individual Performance Award (IPA) fund. As an example, if a 6% performance increase is considered for a top performer, 3% must be funded from the Individual Performance Award allocation and 3% from the Top Performance Award allocation. These

must be granted on the same date. Once the combined increase is granted, a top performer may receive another TPA of up to 5.0% on a minimum time interval of 6 months from the effective date of the combined performance increase.

As an example, a top performer could receive a 6% Performance Award (3% TPA, 3% IPA) on 2/1/96 and up to an additional 5% TPA on or after 8/1/96. This feature was designed to give the flexibility of rewarding the top performers both in interval and amount without going through the policy exception process. These types of dual performance awards were intended to be used to reward and recognize the uppermost level of top performer.

All Top performance Awards must be approved by the Function/Business Unit Leader (or designee). Proposed increases should be coded on G-565s as TP (Top Performance Award) or TL (Top Performance Award-Lump Sum) along with the proper coding for Individual Performance Awards (IP,PI).

Top Performance Award Summary

Allocation: 0.8%

Eligibility: Salaried Associates (Exempt and Non-exempt)-highest levels of performance only.

- Awards are intended to be granted to recognize only the highest level of individual performance and contributions in an organization.
- Limited to not more than 30% of the total number of salaried associates by policy officer.
- Function/Business Unit leaders will be granted a top performance Award Allocation to be administered by that Leader.
- Top Performance Awards of up to 5.0% of base salary (regular) or annual salary (lump sum) or a combination not to exceed 5.0% may be granted.
- The first TPA granted in any year must be used in conjunction with an Individual Performance Award (IPA)

of an equal amount. A minimum interval of 12 months from the last increase (developmental, promotional, or performance) is required.

- A second TPA (up to 5.0%) may be granted to a top performer in any year (12 mos). There must be a 6-month interval from the last TPA (not to be used in conjunction with any other award/increase).
- Top Performance Awards require function/Business Unit Leader (or designee) approval on the G-565.
- Allocation amounts may not be transferred to the Individual Performance Allocations.
- Salaries cannot exceed salary range maximum.

C. Performance Award Administration

1) Performance Appraisal

Since quality individual performance appraisals are a critical factor in determining performance awards, annual performance appraisals are mandatory. Annual performance appraisals should be completed within the established schedule for your division.

2) Planning of Performance Awards

An associate's salary should be reviewed at least once annually.

Effective administration of performance awards requires both pre-planning and follow-up at frequent intervals. The quarterly Performance Planning report is provided by Department 604 (Payroll/Personnel Information) for your use as an aid in reviewing and planning your Performance Award program. A Salaried performance Award Planning Document (Attachment I) has been designed to assist you in this process.

In planning performance awards to be granted during the year, each manager should carefully review the following items:

- a. The amount and timing of each associate's past salary treatment.
- b. Performance of the associate.
- c. Present Performance Award guidelines.
- d. Position within salary range.
- e. Amount of available performance award allocations.

As part of the 1996 Program, each division will be required to submit a detailed merit plan to the officer of the division for approval. This plan must show individuals, dates and amounts of Performance Awards proposed for 1996. Plans must be approved by the head of the division prior to any increase being granted.

3) Exceptions to Performance Award Guidelines

Performance Awards which are below the minimum time interval, exceed the salary range maximum, or exceed the maximum guideline amount will require approval as exceptions to policy.

Such an increase should be clearly identified as a "Exception to Policy" in the explanation section of the G-565 at time of origination, and include justification for granting the exception to policy. Salary Records (D/604) will then route for management approval. Any G-565's not meeting these requirements will be returned to the originator.

All increases that are exceptions to policy and all increases coded "Miscellaneous" will be routed to the Director Global Compensation and the principal officer in charge of the division (or higher authority depending on the level of the proposed salary) for review and approval.

III. ASSOCIATE PERFORMANCE PLAN

A broad based results sharing plan called the Associate Performance Plan (APP) will be continued in 1996. This plan provides a potential lump sum payout to eligible associates in February 1997 based on 1996 company performance. The APP will include most associates covered under this letter.

The plan is structured to provide a lump sum payout of 2.5% of 1996 annual base salary if 100% of performance targets are reached. Based on actual attainment of targets, the 2.5% could increase to 3.75% (if performance reaches or exceeds 150% of target) or could be reduced to as low as 0% (zero) based on sub target performance.

Performance measures for 1996 will include **Cash Flow and Earnings Before Interest and Taxes (EBIT)**. Performance targets to these measures will be set by executive management for 1996 performance. The following provides an example of how the plan will work:

1996 Performance to Target Examples

% of target performance <u>achieved in 1996</u>	Actual payout % of annual <u>base salary</u>
150% or above	3.75% of base (2.5% x 150%)
124%	3.10% of base (2.5% x 124%)
100%	2.5% of base (2.5% x 100%)
76%	1.90% of base (2.5% x 76%)
24%	0.60% of base (2.5% x 24%)
0%	0.00 of base (2.5% x 0%)

1996 plan details will be provided to all associates in the future.

IV. PROMOTIONAL INCREASE POLICY

The following policies and guidelines are applicable to promotional increases:

- A. Promotional increases will be administered under the following policies for 1996.

Exempt Positions: A promotional increase may be granted when an associate transfers to a position with a definite change and increase in responsibility and which is evaluated at one or more exempt grades higher than the position to which the associate is currently assigned.

Non-Exempt Positions: A promotional increase may be granted when an associate transfers to a position with a definite change and increase in responsibility and which

is evaluated at one or more non-exempt grades higher than the position to which the associate is currently assigned.

- B. On moves from non-exempt to exempt positions, a promotion is defined as a transfer to a position with a change and increase in responsibility where the salary range midpoint of the exempt position is greater than the non-exempt position.
- C. A promotional increase up to 15% of an associate's current base salary may be granted if the proposed salary does not exceed the salary range maximum of the new position.
 - An additional amount of up to 5% may be granted when the promotion results in an increase of two (2) or more grade levels.
 - In cases where an associates' [sic] salary, with the promotional increase, is below the salary range minimum of the new position, an additional promotional amount will be granted to immediately bring the proposed salary to range minimum.
- D. A promotional increase must be processed within 90 days of the effective date of promotion. Increases initiated after 90 days must be considered as performance awards.
- E. Movement through a salary classification having a series of ranges (eg Accountant I, Accountant II, Accountant Sr. or Engineer, Staff Engineer, Sr Engineer) is not considered promotional and associates involved in such title changes are not eligible for promotional increases.
- F. There are situations where, due to job reevaluation, the grade of a position is increased. In most cases this is due to restructuring of a department or division, where responsibilities are added to an existing position. In some instances, the incumbent stays on the old job and basically performs the same functions of the old job plus the new responsibilities. In those situations where the same individual is performing the same basic job functions but, due to reevaluation, the grade is increased,

there must be at least a two grade increase in job grades before a promotional increase may be considered within policy.

- G. Exceptions to the above guidelines must be approved by the Director Global compensation and principal officer in charge of the division, or higher authority depending upon the level of the proposed salary. Such an increase should be clearly identified as an “Exception to Policy” in the “Explanation” section of the G-565 at time of origination, and include justification for granting the exception to policy. Salary Records (D/604) will then route for management approval. Any G-565’s not meeting these requirements will be returned to the originator.

V. PROPER NOTIFICATION OF SALARY INCREASE/PERFORMANCE AWARDS

In initiating a salary increase, managers are reminded that no commitments, promises or inferences should be made regarding a forthcoming or pending salary increase until the G-565 has been fully approved and an updated G-565 is returned to the Manager. It is very important that each salary increase is audited for conformance to existing policy and bears full management approval before a firm salary commitment is made.

VI. SALARY RANGES

In order to properly administer our salary administration program, it is necessary that all salaried positions be described and evaluated. It is imperative that detailed Position Descriptions be submitted to Salaried Compensation for all new and revised positions. No promotional or merit increases will be process for salaried associates without an assigned salary range.

VII. INCENTIVE COMPENSATION PLANS

New or revised incentive compensation plans, including bonuses and commissions, will be routed to the Executive Compensation Department for evaluation and approval.

On July 20, 1998 I was suspended from my position as technical engineer for three days due to an error that was placed in the computer by an area manger, and was passed on to me to act upon it. I was transferred involuntarily from an area manager's position on January 5, 1998, to the position as technical engineer. At the time that I was transferred, I learned that the male area managers were earning a higher salary than me. I am also being paid less wages than similarly situated technical engineers who are males. On a continuous basis, I have been subjected to adverse terms and conditions of employment, in that since my transfer, my male co-workers have made comments to me that I am a trouble maker and they have to watch out for me. Younger male employees who have made errors and cost the company economically, have not been suspended as I presently have been. I was given four weeks training by three male employees, only on the job duties that they performed during their shifts. I was not given a job description nor a training manual for the technical engineer position. The on-the-job training that I received was far short of being comprehensive.

I was informed by Ross Hotz, TTL Final Finish, that I had made a terrible error and that I had to be laid off for three days. I inquired why, when others have made errors and

nothing happened to them. Mr. Hotz stated that they have not been consistent in the way they discipline, but that he was trying to start making it consistent.

**PLAINTIFF'S LOST WAGES SUBMISSION
PURSUANT TO COURT'S INSTRUCTION AT THE
MAY 30, 2003 HEARING**

COMES NOW the plaintiff, Lilly M. Ledbetter, by and through her undersigned counsel, and submits the attached backpay chart in compliance with this Court's instruction at the May 30, 2003 hearing.

1. Pursuant to this Court's instructions, the plaintiff has calculated her backpay from two years before she filed her EEOC Charge to her last date of employment. That period of time is from March 25, 1996 to November 1, 1998.

2. The plaintiff compared her salary to Terry Amberson, a comparator whom she presented to the jury.

3. In performing her backpay calculation, the plaintiff computed interest to June 2, 2003, and subtracted out her interim earnings. As of June 2, 2003, the plaintiff's backpay totaled **\$41,683.74** (See EX A).

4. In addition, as the plaintiff's counsel mentioned in the May 30, 2003 hearing, when the plaintiff retired she testified that she received a severance package at eighty-percent (80%) of her salary¹. On the date of her retirement, the plaintiff received \$28,898. (Ledbetter p. 58, EX C). Had Ledbetter retired at the salary Terry Amberson was receiving, she would have received \$38,141.16, or an additional \$9,242.58 in her severance package. (EX D). When interest is computed from November 1, 1998, the date she received her severance package, to June 2, 2003, that number is **\$12,917.42**. (EX E).

5. Adding the backpay number (**\$41,683**) to the additional severance number (**\$12,917**) equals **\$54,601.16**.

Wherefore, premises considered, for her Title VII backpay claim based on the non overtime salary numbers, and limited to the time period of 3/25/96 to 6/2/03, the plaintiff moves this Court to award her \$54,601.16 in lost wages in addition to the compensatory and punitive damages awarded by the jury.

Respectfully submitted,

Jon C. Goldfarb
Attorney for plaintiff

¹ Goodyear's 80% rule yields a result actually less than 80%. The number is derived by dividing the entire yearly salary by 52 weeks, multiplying that number by a specific multiplier, which is based upon years of service, and then taking 80% of that number. (See EX B p. 3).

DEPOSITION OF LILLY LEDBETTER

pp. 31-33

A. Yes, sir. There were some other squads there that had moved on up prior to us, but we were one squad.

Q. Tell me who all was in your squad, Ms. Ledbetter.

A. Goodness. I can't remember Jerry's last name. Jerry was hired in from J. C. Penney company out of Chattanooga. Hew as an assistant store manager with him. And he works for the City of Gadsden now. He went to the tube plant.

Gary Howard, who was already – he was in accounting at Goodyear, and he took the manager's training position. He came out of IBM or accounting. And he went in truck and tractor, I believe.

And then there was a guy named Ray, and he had worked for Goodyear already, and he took – I believe he worked in shipping before. And I don't – I believe he went

in passenger tires, but I am not sure, I don't (begin p. 32)
remember.

And Helen Black was already a good year
union employee. She was the only union employee. And she
went on the squad, and I don't remember what division she
went in, I am sorry. But there were five divisions and five of
us, and each one of us went in a different one.

Q. I got you.

A. I just know the important, I went to the radial
plant.

Q. Yes, and I am just trying to get a picture of it
in my mind. Did y'all hire in about the same time? Was the
squad all hired the same day, for example, or just how –

A. We all became supervisor trainees at the same
time and became supervisors at the same time.

Q. Okay. And did y'all stay together as a group
during this about eight-month period?

A. Training? (begin p. 33)

Q. Yes, ma'am.

A. Yes, sir. And then we would report back for meetings periodically to see how our evaluations were coming on our work performance as a group and take tests.

Q. Was there sort of an internal competition between the five of y'all?

A. Definitely. Definitely.

Q. Do y'all have class reunions?

A. Well, most everybody has moved on. Jerry got laid off in 1985, and he went to work for the city and never came back. I can't remember his last name. He was a real sharp young man. And Gary, he was still working at the plant. He is -- I understand has cancer right now, though, and he is very ill, but he is still working. And Helen, she went back in the union. She didn't stay on salary too many years.

Q. Do you know what she is doing now?

DEPOSITION OF LILLY LEDBETTER
pp. 120-123

Tucker -- he didn't call him by name, but he was your prior --

A. he said the evaluation. You know, the evaluation, according to what I had been told, was one of the better ones I had had. In fact, I got an eight percent raise.

Q. Let's talk about that. Do you remember the meeting that you had when you received that raise?

A. It was very short. Mike had overslept and was late that morning when he came in, and he rushed it and it was probably approximately eight to ten minutes.

Q. Okay. Do you remember anything about what was said during that meeting?

A. It was so rushed. And at the end I asked about a raise, and he said it would be very low because there hadn't been much money provided that year. And he had to leave at that time, so the next (begin p. 121) day I asked for another quick meeting with him to – I wanted to go back over some questions I had, what I could do to get my raise. I needed to earn an increase in pay. And what I could do, I wanted to get in line with where my peers were, because I told him at that time that I knew definitely that they were all making a

thousand at least more per month than I was and that I would like to get in line. Because I was still below the midpoint. I had never got the money up to reach the midpoint. And I felt like that I should be up in line with my peers, and I needed to know what I needed to do in order to achieve that.

Q. And that conversation happened when?

A. It was the next day after the initial evaluation. Because Mike didn't have time to stay and talk, and I didn't get to ask my questions.

Q. Okay, Well, are we talking (begin p. 122) about in 1995?

A. I believe that is correct.

Q. So when you had this conversation with Mike Tucker about the 1995 evaluation, you told him then that you wanted to try to get your pay more in line with your peers?

A. That's correct.

Q. How did you know what your peers were earning?

A. Different people that I worked for along the way had always told me that my pay was extremely low.

Q. And when you say people you worked for, you are talking about your managers?

A. Yes. Kim Whitman had told me that.

Q. Okay. And did he tell you it (begin p. 123) was low in comparison to your peers?

A. Yes.

Q. And he was your manager in 1992?

A. Yes, sir.

Q. So you knew in 1992 that you were being paid less than your peers?

A. Yes, sir.

Q. And you knew that throughout 1993, 1994 and 1995?

A. I didn't know how much at that time.

Q. Yes, ma'am.

A. I didn't learn that until – how much difference until probably about 1994 and '95.

Q. And when you came to know in 1994 or 1995 exactly how much you were earning less than your peers, how did you come to know that?

A. Gosh, I don't remember. I don't really know. I don't really remember that.

DEPOSITION OF LILLY LEDBETTER
pp. 143-147

timely as they were supposed to be.

Q. What was the other one that you clearly remember when you were asked to sign it that it did not have the numerical rating completed on the last page?

A. I don't know which one. I just remember I signed one that didn't have anything written in it.

Q. While we are talking about this, let me make sure I understand the conversations that happened about your raise in connection with this. When you sat down with Mike Tucker and went over this performance evaluation marked as Defendant's Exhibit 2, did he tell you at that time what your raise would be?

A. No, sir, not exactly. No. the one that was rushed – again, I go back to this being dated '96 up here and this '95, but it was rushed. It was in '95 in reference to the '95 evaluation. It seems to me that when I went back for (begin p. 144) the second meeting with him, he told me six percent. But I actually received eight.

Q. when he told you six percent, did he say anything about that or explain why that number was the one or give you any explanation for how that amount was determined?

A. Usually they always based in on the amount of money they said that had been provided to hem to distribute amongst their area managers.

Q. Yes ma'am, I understand that. But my question is do you member – and maybe you don't remember, and if you don't that is fine. But do you remember what Mike Tucker said to you about that raise? Did he say anything to you about how that amount was determined? I

am not asking you how it was normally done. I am asking do you remember what words came out of Mike Tucker's mouth?

A. No, sir, I do not remember (begin p. 145)
exact words.

Q. do you remember – putting aside exact words, do you remember the substance of what was said?

A. No, sir, at this time I don't It might – I might remember later, but right now I don't remember what he said.

Q. Okay. And when it eventually turned out that your raise was higher than what he told you it was going to be, did you ever have any discussions with anyone at Goodyear management about that?

A. Well, I had talked to Mr. Tucker on several occasions about my money, because even with the eight percent, I still was not at midpoint. And the men – my peers were still getting their raises. So I could never catch up. And I explained that to him. There was no way I could ever catch up, there was no hope unless I could get some help along the way. And I felt somewhere that I had earned and

been -- and should (begin pl 146) be recognized that I could do that. And that is what I wanted. I needed that help. And I finally broke down and asked for it with it.

Q. And that is the conversations you had with Mike Tucker?

A. Because even with the eight percent, I was still behind.

Q. Right. You were earning less than your peers --

A. Right.

Q. -- the other area managers?

A. (Nodding head affirmatively.)

Q. Now, when you say your peers, to whom are you referring, what group of people?

A. the other -- at that time tire room managers.

Q. Nto area managers throughout the whole plant? In your mind, your peers were the other tire room managers?

A. That's correct.

Q. And you knew that you were (begin p. 147)
earning less than them?

A. Yes.

Q. And, in fact, you were talking to Mike Tucker
about wanting to get your salary closer to theirs?

A. Right.

Q. and it happened that these other people who
you describe as your peers – were they all men?

A. Uh-huh, yes. They were all men in the tire
room. I was the only female. That was usually everywhere I
worked, there was very few women.

Q. How frequently would you get a raise or were
you eligible for a raise as an area manager?

MS. BULLOCK: Object to the form.

Q. I am just trying to understand was it done
every year, first of January or –

A. Some people would receive raises more often
than others. Mike

A. Management trainees. And that was – I was not allowed to participate in that.

Q. Who stopped you from participating in that?

A. Mike Tucker.

Q. Tell me about that.

A. He said he didn't have anyone to put in my job to cover it.

Q. and you don't believe that was the real reason?

A. Well, they could – they would have done – or should have done like they have always done before, worked overtime. That is what they did in other areas where they used area managers.

Q. did you make it known that you wanted to be a part of this interviewing process?

A. I didn't ask for it, because I didn't have any idea that me being low seniority that I would be selected. But when I talked to Kelly Southworth in (begin p. 279)

reference – she was the EEO representative and among other things in that title. I went to her and talked to her about my low pay and what I would do to get it up. And I thought maybe by her being a female, she could tell me what I could do.

Q. When did you talk to Kelly?

A. It was while I was working for Mike tucker and I kept asking for raises and I wasn't getting anywhere. Mike was I believe my boss at the time. And I went over to talk to her and she said that she would do an investigation and get back with me. And about -- sometime alter, a month, or it was a long period, I ran into her one morning. And she said oh, I haven't completed that, I have been doing other things. And I said – she said but I will let you know when I complete it. And the next thing I knew, she was transferring out of Godsdan, and I never heard anything from it.

(begin p. 280) But she tried – she then was putting this group of people together. And after having I guess talked to me, she put my name down. She put my

name on the list. And she did tell me that. She said I put your name on the list, but they wouldn't allow you – Mike Tucker would not – to participate. And then –

Q. Did you ever talk to Mike about that?

A. Mike talked to me, He told me I could not, and he sent me a memo and went over it too, he said to make sure that I understood that I have read it and that I would not be participating.

Q. Is that in these papers that –

A. I don't know. I don't know. I really don't know, sir, if I – I believe I did. I believe I turned that in. I don't know if it is here but – I believe that was some of the last papers I brought in this morning.
